Instructor is rescued from auto

Jerry McKechan, 29, of 2536 Lincoln Ave., a driver's education instructor and coach for Granite City High School South, was injured when a student driver lost control of a training car on Benton Street north of Oregon Avenue at 11:45 a.m. yesterday.

The car, driven by John Kaemph, 15, of 3802 Kirkpatrick Homes, had just passed a large pothole and began to drive across the center line into the southbound lane when McKechan grabbed the steering wheel and pulled it to the right. The maneuver startled the student driver, who accidentally pushed the accelerator to the floor, police were told. The auto swerved to the right and over the curb and struck a school crossing sign as McKechan was attempting to steer and was applying the instructor's brakes, he told officers.

The sudden stop threw McKechan to the floor and his neck struck the steering column, twisting his neck. The driver and three other students in the car were not injured.

McKechan said he was experiencing severe neck pain and could not be moved without the pain. The Granite City Fire

Party seeks unity

Calls for unity were voiced by many after divided Madison County Democrats decided Monday evening on veteran party leader Christ Costoff as their new chairman. Nelson Hagauer of Granite City did

not seek re-election. Whether unity can be attained is uncertain. The Madison alderman's chief rival for county leadership, Madison Mayor Mike Sasyk, left the Edwardsville meeting after the

outcome had become apparent. Independent Democrats, who fared well in this spring's primary election, lacked sufficient strength to choose as party leader someone from their own ranks. But they played a pivotal role by switching to Costoff on the second ballot.

He is semi-retired and serves as a field investigator for the driver license division of the Illinois secretary of state office. A key factor in Costoff's victory was support from State

City restricts truck parking

An ordinance which bans the parking of large truck trailers on Granite City streets was approved on final passage by the City Council Tuesday night, but not until the aldermen resolved objections by a delegation of tractor-trailer owners, drivers and operators.

The ordinance was placed on first reading in the council's March 28 session after final a lengthy debate over the

parking prohibitions 'actually established by the new law, and an explanation to a delegation of about ten drivers and operators that the bill banned the parking of trailers, and not the tractor units. The ordinance was placed on first reading in the council's March 28 session after final

11 run for 8 school posts

Eleven are seeking eight Quad-City area school board positions and four are running for three Belleville Area College district trustee posts in elections Saturday from noon to 7 p.m.

Granite City board members L. Monroe Worthen and President Thomas G. Miosky are seeking re-election and are being opposed by George F. Groves and David Partney for three-year terms.

In the Madison school district, incumbents Richard Zeissel and Elvers Johnson are seeking two three-year terms, and also competing is Mrs. Billie Rosworth.

Paul Bargiel is running for a position on the Madison board and is opposed for a one-year unexpired term.

Venice school board incumbents who have no opposition on Saturday are John Boushard and Gerald Cicio, for three-year terms, and George Wade, for a one-year term.

Three Belleville Area College trustees are seeking new three-year terms—John A. Becker of Sparta, Edward O'Malley of Belleville and Mearl Justus of Cahokia.

Also seeking one of the three BAC board positions is Granite Cityan Robert A. Harris. Since joining the eight-county college district, the Quad-City area has had no local residents on the board.

Clean air 'offset' plan

The extent of local development after January 1979 will depend to a great extent on how much existing air pollution

can be "offset," a prayer breakfast gathering was told here yesterday by Paul Schmierbach.

A resident of Marissa and manager of the permit section of the Illinois Environmental Protection Agency, the speaker outlined the federal Clean Air Acts of 1970 and 1977.

The western half of Madison and St. Clair counties has been listed as a non-attainment area in regard to desired levels of particulate matter in the air, Schmierbach noted.

New manufacturing installations after this year can be authorized in such an area only if ways are found to offset the potential added air pollution by a reduction in existing emissions, he noted.

In regions where minimum air purity standards are being achieved, efforts will be made to maintain that quality by preventing projects that would cause significant deterioration of clean air, Schmierbach said.

Carl E. Mathias served as moderator of the program.

In states such as Illinois where transportation air quality goals are not being met, it is likely that vehicle exhaust inspection requirements will be established, the Granite City

Stronger yard law

A new law that will permit city officials to enforce "cleanup" requirements in yards and control the condition of building exteriors was given final passage by the Granite City Council Tuesday night.

The ordinance, in addition to including "debris" in the same classification as garbage, also prohibits the parking of nonoperable motor vehicles in yards for more than ten days.

Approval of the bill was followed by a request by Alderman Lloyd Bailey of Ward Five that the city attorney bring in another ordinance which will provide for a citywide cleanup twice a year, supervised either by the street department or the sanitation department.

Adoption of the new garbage-debris regulation followed within ten days the announcement by City Inspector Emerald Dawes that his department intends to conduct a

cleanup of the city's yards. The ordinance was given final passage by the Granite City Council Tuesday night.

Bargiel unopposed for one-year term

Unopposed in Saturday's Madison School Board balloting is Paul Bargiel, 1434 Sixth St. He comments, "I am a candidate for an unexpired one-year term on the Madison Board of Education. I am 34 years of age.

"I am married to the former Pamela Hinson and we have two children, Kathy, age 12, and Susan, age seven, who attend Madison schools.

"I have long been interested in the community where I was born, raised, and continue to reside.

"I attended Madison schools and have taken various courses at Belleville Area College, the University of Illinois Police Training Institute, and the St. Louis Police Academy.

"I have been an instructor for the law enforcement program at Lewis and Clark Community College.

"I am currently employed by the City of Madison as a detective on the police department, a position I've held since 1971.

"I joined the Madison Police Department in March 1970 after working for the Madison County Sheriff's Department four years and attaining the rank of lieutenant.

"I am a candidate because of my interest in children and the community."

PAUL BARGIEL

"My daily activities keep me in close contact with the community, and aware of problems and needs. I am for a back-to-basics system of education, with special attention given to special education and vocational programs.

"I hope to promote more citizen input into our educational system and extracurricular activities.

"I will work closely with the administration and citizens for the betterment of our school system," Bargiel concludes.

Propose power plant expansion

Illinois Power Company on Tuesday announced environmental studies will begin immediately with an eye to expanding the present Vermilion Power Station west of Danville.

The first unit to be added will be in the range of 550,000-kilowatt capacity.

Its operational date, sometime in the 1980s, was left open. It will, under current plans, be coal-fired.

Vermilion Power Station, with two coal-burning units, now has a capability of 182,000 kilowatts of generation, plus a 13,000-kilowatt gas turbine unit used for peaking and startup purposes.

With some small exceptions, land for the planned expansion was acquired by Illinois Power, at the time the land for the present plant was purchased in the 1950s.

It was determined then that the total land purchased, with accompanying water rights, would support an additional 1,200,000 kilowatts of generation.

The new unit will use cooling towers, as do the two now in operation. Makeup water for the cooling towers will be drawn from a 125-acre-surface makeup pond to be built off the Middle Fork of the Vermilion River. It will augment the present makeup reservoir used by the two units now in operation.

The best available techniques to handle exhaust gas from the plant stacks will be employed at the plant. It is considered likely that the new unit will burn Illinois-mined coal.

The new Vermilion unit is in operation.

First rating for Grigsby

The Grigsby Junior High School under the direction of Miss Vivian Raffaele received a first rating in a district 1st contest held Saturday in Millstadt, Ill.

The band will enter statewide competition on Saturday, April 29, and 43 Grigsby students will enter a state solo and ensemble contest on Saturday, May 6.

addition to a new 450,000-kilowatt unit at the IP Havana Station, scheduled for operation this spring, and a 550,000-kilowatt nuclear unit scheduled for operation near Clinton, Ill., in the early 1980s.

Illinois Power provides electricity and natural gas to 15,000 square miles of Illinois. Its major generating stations are Vermilion (near Danville), Hennepin, Havana, Wood River and Baldwin.

citywide cleanup campaign in alleys and yards.

At the time of the announcement, however, it was noted that the city's ordinance provided controls only for the removal of "garbage" and did not include trash and debris as controllable items.

During the discussion of Bailey's request for an ordinance establishing two regular cleanup periods each year, using city equipment for pickups, the council members heard a talk by Jake Varadian of Lincoln Place concerning plans for the annual neighborhood cleanup program in that area.

The aldermen voted to permit the use of street department trucks in that cleanup plan, providing that the neighborhood residents obtain insurance coverage for the day or two on which the Lincoln Place cleanup will be conducted.

The new ordinance states that "the term garbage or debris is defined to mean any condition or use of premises or of building exteriors which is detrimental to the property of others or which causes or tends to cause substantial diminution in the value of other property in the neighborhood in which such property is located."

"This includes, but is not limited to, keeping or the depositing on, or the scattering over the premises of any of the following: lumber, junk, trash, or debris, abandoned, discarded or unused objects or equipment such as automobiles, furniture, stoves, refrigerators, freezers, cans or containers."

The ordinance also provides that "No person in charge of or in control of premises, whether as owner, lessee, tenant, occupant or otherwise shall allow any partially dismantled, wrecked, junked, discarded or otherwise nonoperating motor vehicle to remain on such property longer than ten days, and no person shall leave any such vehicle on any property within the city for a longer time than ten days."

The law notes, however, that this section "shall not apply with regard to any vehicle in an enclosed building or so located upon the premises as not to be readily visible from any public place or from any surrounding private property."

It also does not apply to vehicles on the premises of and operated in connection with a business enterprise, according to the ordinance.

The bill provides a fine of not less than \$25 nor more than \$250 for each violation.

Bailey ran into some opposition in his proposal for a twice yearly cleanup, particularly after he first suggested that the street department manpower be used in the cleanup program.

"How do we know the street department has the manpower to do this?" Alderman Gerald Farney asked.

Lionel Portell, street superintendent, remarked that his department "has been doing almost the same thing every year."

Portell indicated he favored such a program, but Mayor Paul Schuler and several aldermen suggested the program could be handled just as well by the sanitation department.

Mayor Schuler remarked that because of damage to city streets caused by the severe winter weather, requiring extensive patching and other repairs, he believed the city street department already has its hands full.

"I don't think we should be adding to Portell's burden," the mayor said.

The aldermen commended Varadian for the annual cleanup activities at Lincoln Place and Mayor Schuler commented that the same type of program could be organized by "any alderman, precinct committeeman or citizen," and that the city would be willing to help in any such planning.

Quick quiz

(Continued from Page 1)

2. If a voter is in line at 6:35 p.m. but has not been processed and given a ballot by 7:00 p.m. he must still be allowed to vote.

3. The voter must hand his voted ballot to the judge of election in charge of the ballot box who will examine it to see if it is properly initiated and the judge shall immediately thereafter cast it into the ballot box.

4. Judges have the authority to prohibit electioneering within 100 feet from the entrance of the polling place and may contact the police to enforce this rule if necessary.

5. When a voter has cast a write-in vote, even if the judge can understand whom the voter meant, the judge cannot count the vote if the name written in is misspelled.

6. If a voter is disabled by blindness or paraplegia he may be assisted by a relative or friend in the marking of his ballot or by two judges.

7. Poll watchers may not touch any of the supplies or the ballots in a polling place.

8. A challenger must give a specific reason for challenging the right of anyone to vote.

9. If a voter spots a ballot while marking it he may return it to the judges of the election in charge of the ballots who will issue another ballot.

Answers: 1. False; 2. True; 3. False; 4. True; 5. False; 6. True; 7. True; 8. True; 9. True. (Regarding No. 3, in a school election the voter places the ballot in the ballot box himself.)

If anything that is contrary to these correct answers is seen or done at a polling place in the school elections, it should be brought to the attention of the judges of the election, authorities say.

Appeals board, Plan Commission to meet

The Granite City Board of Appeals will meet Wednesday, April 12, to consider five requests for zoning variances and the City Plan Commission will meet the following day with three requests on the agenda.

Both meetings will begin at 1:15 p.m. in the city offices at 3201 Adams St.

Board of Appeals requests are by:

Sieve Markowitz, 2575 Boyle, to construct an unattached garage four feet from the side property line in an R-1 single-family residential district.

Dave Polivik, 2592 Waterman, to construct a carport five feet from the side property line in an R-1 district.

Gary Schneider, 1929 Joy, to construct a room addition one foot from the side property line in an R-2 single-family residential district.

James Robertson, 12 Mercer Drive, to construct a two-car, unattached garage two feet from the side property line in an R-1 district.

And, Helden Ralls, 2316 O'Hare, to construct an unattached garage two feet from the side property line in an R-2 district.

Requests to the Plan Commission include one from Otilis Valencia Jr., for an R-4 (two-

family dwelling district) rather than the present R-2 at 2900 Idaho.

VFW Post 1300 and Magnus Leisner, commander, are requesting C-1 commercial zoning rather than the present R-4 residential classification at 2101 Lee Ave., for a parking lot.

William Seebold is requesting a C-2 commercial zoning, rather than the current R-3 residential zoning at 2903 Iowa St., for the storage of boats.

Say sanitary district may get tax loan

The Metro-East Sanitary district board, meeting in its Washington Park offices Wednesday, approved a \$42,000 payroll for the month of March, but checks were held up until the district receives funds to cover the salaries.

The possibility of a \$600,000 loan through the sale of tax anticipation warrants was discussed by the board members who said there is a possibility the tax warrant sale may be approved by First National Bank of East St. Louis.

A move to sell tax warrants was undertaken by the board several weeks ago at the insistence of A. Wendell Wheaton, executive director, who maintained the district should at least attempt to sell tax warrants.

Board members had made no direct move to sell the warrants on the presumption that no loan was possible pending litigation in appellate court over the fifth seat on the board.

More than 40 workers have been laid off during the past six weeks because of a lack of funds.

Party seeks
(Continued from Page 1)

Rep. Harold Byers of Highland, a loser in the 56th District state senate primary, Byers said he hopes to have party support to return to the state legislature in 1980.

Born in Kereka, Bulgaria, Costoff has been a resident of this area for 33 years.

He is in his fifth consecutive four-year term as an alderman of the Fourth Ward in Madison.

He is a member of the Bulgarian Eastern Orthodox Church and has served as president of the congregation.

Costoff also is a member of Elks and Moose lodges and the Madison City Organization. He and his wife, Maxine, had a son, Michael, who was killed in an accident in 1957.

Nominated by Morris Miles of Mitchell, and seconded by Madison County Recorder of Deeds Ronald Lucas, Costoff has been a naturalized U.S. citizen since 1940.

Sasky led by 22 votes, 11,299 to 11,267, on Monday night's initial ballot among committeemen casting votes based on the number of Democratic ballots in the March 21 primary.

Wood River Township Chairman George Donohoe received 4,065 votes, new Alton Chairman William Haine 2,400 and Rep. Byers, 1,500. Also nominated, Willard Hering Sr. of Granite City withdrew on the first roll call and backed Mayor Sasky.

On the second ballot, Byers backed Costoff as "a man of his word who sticks by it completely."

Committeemen favoring Haine also switched and acting chairman Don McLean said Costoff then led 15,283 to 11,318.

Edwardsville area committeemen next switched, giving Costoff a majority, and Donohoe then withdrew and supported Costoff.

Hagnauer had supported Sasky. State Rep. Jim McKipke had opposed Costoff for backing James Eates for sheriff and James Augustine for county treasurer, but later joined the calls for party unity.

A resolution by Richard Allen to open the meeting to direct press coverage failed, about 20,000 to 11,000.

Sasky was nominated by Venice Mayor William M. Elwood, new Madison County Township Democratic chairman.

Mayor Sasky said he had been hoping to see changes in the way the county party has functioned. "Evidently they want the kind of politics he's advocating — and if that's the way they want it, they can have it," he concluded.

Released on bond

Gerald L. Slattery, 31, of 2209 Edwards St., was released yesterday on a \$100 cash bond after pleading innocent to a charge of battery.

His sister-in-law, Alice Hoffman, 17, alleged that Slattery beat her at 6:50 p.m. Monday after Slattery threw her boy friend out of the house.

Woman struck as she leaves business place

Mrs. Meline Cherkoian, 49, of 2612 Madison Ave., Apt. 3, was struck on the forehead with a pipe or club as she was leaving the Dairy Bar, 2673 Madison Ave., after closing it at 11:10 p.m. Wednesday.

She said she normally walks out of the building through the rear door and looks around before she gets the day's business.

As she was looking around, she noticed someone crouched behind a box near the door and asked him what he was doing. The youth who was hiding told her to be quiet and said, "There's someone over there, pointing toward a second youth nearby."

The employee said she started back toward the Dairy Bar to call police when one of the youths raised what appeared to be a round metal pipe and struck her on the head.

She said she screamed loudly and the two youths fled west in the alley beside St. John's Cemetery.

A neighbor heard the scream, told his wife to call the police and went to help the injured woman. She was taken by Granite City ambulance to St. Elizabeth Hospital where she was treated for a large cut to the left side of her forehead. X-rays were taken and she was released.

She described the youth who struck her as about 17 years old, having a round face, a small mustache and brown hair.

CARE

We care about the feelings of the Bereaved Family and the Wishes of the Deceased in Making Funeral and Burial Arrangements.

Remind you that even through the passing of a loved one is a tragedy, there need not be a financial tragedy as well, and we keep that in mind when you are in need of our services.

News notes

Governor James R. Thompson yesterday sent a telegram to President Carter requesting that he reconsider the Federal Disaster Assistance Administration's recommendation to refuse disaster aid to the state of Illinois for a severe March 24 ice storm.

U.S. District Judge James Parsons ruled Wednesday in Chicago against a motion to quash subpoenas seeking records from five top aides of Illinois Attorney General William J. Scott for use in a study of Scott's finances.

Currently in the Madison County Jail, convicted murderers Dennis Kirksey and Raymond Milenz filed suit for over \$525,000 this week for alleged mistreatment suffered while they were prisoners in the St. Clair County Jail between Feb. 16 and March 16.

Michael Bakalis, Democratic governor nominee, said Wednesday he favors legalization of off-track horse race betting in Illinois.

Granite City and Madison-Venice Rotarians will meet jointly Tuesday, April 11, at the YMCA to hear Arven H. Saunders, director of the Illinois Division of Aeronautics and executive director of the St. Louis Metropolitan Area Airport Authority.

Mine construction workers on Tuesday completed ratification of their new wage agreement, approving it by a 2-1 margin.

Neder Lander firm will conduct MRF

President Kenneth Shaw of Southern Illinois University at Edwardsville has announced that the Neder Lander nationwide promotional organization has signed contracts to operate the Mississippi River Festival this season and develop plans for the next 10 years.

The Neder Lander organization operates 18 other facilities and summer theaters throughout the country. Shaw emphasized the MRF will be operated by the firm without the involvement of university funds and any university services needed will be reimbursed from the proceeds.

The university will be given a percentage of the profits, which will be returned toward the MRF program. About 40 entertainment events will be offered this year on the campus and booking will begin immediately, Shaw said.

Jones receives basketball letter

BLOOMINGTON, ILL. — Former Madison High School basketball player Ronald Jones was one of 12 members of the Illinois State University basketball team to receive a varsity letter at the ISU Basketball Dinner recently.

Jones, a sophomore from Venice, was a starting guard on Coach Gene Smithson's nationally-ranked Redbirds this past season.

Madison loses in AAU finals

CAPE GIRARDEAU, MO. — The Madison AAU girls' basketball team finished second here this week in the Ozark Association regional tournament.

Madison's Sharpshooters lost to East St. Louis 42-40 on a 55-foot shot by the Untouchables' Cynthia Coleman at the final buzzer.

Madison reached to finals by virtue of two wins Saturday. In the first game Saturday, Madison defeated Cape Girardeau 54-12 behind Susan Bell's 18 points.

In the semifinals, the Sharpshooters defeated St. Peters, Mo., the St. St. Louis champion, 43-26. Madison was led in scoring by Kim Bromovich's 18 points.

Bromovich also led Madison in scoring Sunday against East St. Louis with 18 points. Laura Gabriel scored 14 points for Madison.

East St. Louis will advance to the national AAU Tournament June 19-24 in Fulton, Tennessee.

The Madison AAU team is made up of girls from all over Madison County. From Granite City, team members are Nita Graham, Susan Bell, Chris Boyd, Layra Briel, Desiree Gozgas, Wendy Melroy and Gina Graham.

Team members from Madison are Kim Williams, Veronice Williams, Mary Lindcoe and Becky Duke. Kim Bromovich is from Collinsville.

The girls, all of whom are 15 years old or under are coached by Madison boys' basketball coach Larry Graham and Jim Welch.

ACCIDENT SCENE Wednesday afternoon on Benton Street north of Oregon Avenue which involved a driver training auto from Granite City High School South. The student driving the auto at the time had lost

control due to a chuckhole. The instructor, Jerry McKechnan attempted to grab the steering wheel but the auto struck a sign. He was thrown against the steering column and injured his neck.

St. Louis U. to offer indoor soccer

St. Louis University will sponsor an indoor soccer tournament featuring eight collegiate teams from the St. Louis area on Friday, April 21 and Saturday, April 22 in the school's West Pine gymnasium.

Competing in the eight team field are: St. Louis University, Southern Illinois-Edwardsville, Quincy College, Lewis and Clark Community College, Meramec Community College, Missouri-St. Louis, Florissant Valley Community College and Forest Park Community College.

The tournament will be conducted on the gym floor using a playing surface of 150'x80' with the goals 7'x12'. The regulation soccer field is 110 yards by 70 yards and goals are 8'x24'.

Teams will consist of five players (including the goalie) with substitutions made on the "fly." The game will consist of two ten-minute halves with three minutes allowed for rest between halves.

The tournament will commence on Friday night with the first game being played at 7:30 p.m. Three other games will be played on Friday night to accommodate the other first round matches.

A total of six games will be played on Saturday starting at 1 p.m. The championship game will be played at 4 p.m. with the consolation championship at 3:30 p.m.

Reserved seats, on sale now at the school's West Pine Gym, are \$3 and general admission is \$2.

First Round Schedule: Friday, April 21 — 7:30 p.m., SIU-Edwardsville vs. Lewis and Clark; 8 p.m., Quincy vs. Meramec; 8:30 p.m., Missouri-St. Louis vs. Florissant Valley; 9 p.m., St. Louis University vs. Forest Park.

DeMars named all-star coach

Kent DeMars, coach of the Southern Illinois University at Edwardsville tennis team, has been named coach of the United States' NCAA Division II All-Star tennis squad which will tour Mexico in June.

Participants will be the top eight finishers in the Division II national championships. The Cougars of SIUE have a pair of solid prospects in Juan Farrow, the defending NCAA division II champion, and Arjun Fernando, a two-time quarterfinalist in the national tournament.

The purpose of the international competition is primarily to increase the level of competitiveness in the Mexican collegiate tennis program and to enhance better relations between the United States and Mexico, DeMars said.

Along with DeMars and the eight student athletes, Robert Screen, coach of Hampton Institute in Virginia, will serve as team leader.

Madison baseball, softball meeting

There will be a meeting for anyone interested in managing Madison Recreation Little League baseball team or softball team Thursday night, April 12 at 7 p.m. in the Madison Recreation Center.

If one is interested but cannot attend the meeting, he or she may call 677-6415 or 677-7354.

BURN VICTIM Clifford Barnes, 2003 Missouri Ave., is walked to a Granite City ambulance Monday morning by a friend after a gas-soaked rag he was using ignited, burning his right arm, abdomen and part of his face. The incident occurred at 2005 Missouri Ave. in his uncle's home. Firemen extinguished the flames which caused an estimated \$3,000 damage to the home.

City airport is proposed

Establishment of a city or regional airport at the present Lakeside limited-use airport is being proposed today to a planning committee formed by the Granite City municipal government.

Dr. Donald Coleman, chairman of the Airport Committee of the Tri-Cities Area Chamber of Commerce, arranged for today's discussion between the two committees.

If \$5,000 can be obtained to carry out a feasibility study, it can lead to inclusion in the Illinois state air plan and then the national airport systems plan, Dr. Coleman told the Chamber board last night at the Edwardsville Holiday Inn.

Substantial federal funds could be obtained to develop a 5,000-foot-runway general aviation site, he predicted.

Films show last night depicted the variety of airport-related activities and the favorable economic impact on a region.

Advantages of Lakeside include easy access from federal routes and future freeways, compared to difficult ground access to both Bi-State Parks Airport at Cahokia and the Civic Memorial Airport in the Bethalto area, he commented.

It was brought out that airlines use only 425 of the 13,000 U.S. Airports.

Lakeside could handle all

sizes of non-jet planes and could directly serve the Quad-Cities, Collinsville, Maryville and Glen Carbon, Dr. Coleman said, adding that it is the closest of all airports to downtown St. Louis and the convention center there.

Clean air

(Continued from Page 1)

Rotary-sponsored breakfast group was told.

A detailed evaluation of air in the Decatur area has been completed, and one for this bi-county area will be ready by May, Schmierbach noted.

He urged local input into implementation plans being developed by the state to comply with federal standards, which he said have been changed from guidelines into relatively rigid rules.

While some of the new regulations sound ominous in terms of an area's future economic potential, specific procedures are being outlined and undoubtedly can be fulfilled here, the speaker said.

He also visualized a future time when there will be severe monetary penalties against air pollution sources.

Along with point sources, there is growing awareness of other factors — such as dirt roads and unsewered streets — in the overall air quality picture, Schmierbach said.

Emergency services group organized

A new organization known as Emergency Services and Relay Organization (ESRO) has been formed in Madison, Cassir Krakowicki, civil defense director announced at the Tuesday night Madison City Council meeting.

Krakowicki introduced Donnie C. Housdan, acting chairman of ESRO to the council.

ESRO consists of volunteer men who will aid the Civil Defense Department in situations of imminent or actual disaster.

Krakowicki explained the group will assist the police department as crime and accident spotters by using their personal citizens band radio equipment and relay emergency information to a base unit in the police station.

"As ESRO membership increases, so too will the number of eyes and ears watching our streets and homes," Krakowicki said.

ESRO members have agreed to participate in Severe Weather Watcher's training.

CPR and other first aid and civil defense courses may become available. Further the group would be instructed on procedures for noting crime, observing details, reporting accidents, and other information as the police department may see necessary," Krakowicki said.

The council approved purchase of a base unit for the city police department for an approximate cost of \$280 and another \$80 for the purchase of insignia and identification cards.

A meeting of the group will be held Wednesday, April 12, in the Madison Memorial Center, Seventh and Lee streets, Madison, at 7:30 p.m.

Persons interested in the new organization are welcome to attend the meeting, according to Krakowicki.

North queen candidates

Granite City High School North students will vote Wednesday, April 12, for a queen to reign at the Spring Carrousel scheduled for May 12 to honor senior graduating girls.

Candidates for queen were nominated by the senior class and those who will participate in the event as ushers, escorts and performers in the May pole presentation were chosen by a faculty committee.

Queen nominees are: Sherri Davis, a daughter of Mr. and Mrs. Adam Davis, 2404 Honey Drive. She is a member of the Steel City Belles Pom Pon Squad, Silver Spirit and Social Studies club.

Stephanie Winfield, whose parents are Mr. and Mrs. John Winfield Sr., 511 Fleming Place, who is a member of the Varsity cheerleaders, track, Silver Spirit, National Honor Society and Student Council. She also served as yearbook organization editor.

Lea Ann Rainwater, a daughter of Mr. and Mrs. Lanny Rainwater, 1600 Union Ave. She is a member of the Silver Spirit board, Student Council, National Honor Society and a cheerleader for Varsity wrestling and football. She was also a varsity Steelerte basketball player and was freshman and sophomore wrestling queen.

Sara Lybarger, a daughter of Mr. and Mrs. Charles R. Lybarger, 1820 Primrose Ave., president of Silver Spirit, secretary of the National Honor Society and a member of the Student Council. She is also a Varsity soccer and basketball cheerleader.

Linda McCrone, a Silver Spirit executive board member and also a member of the Steel City Belles Pom Pon Squad, Student Council, National Honor Society, a band letterman and senior class president. She is a daughter of Mrs. Kathleen McCrone, 2505 Roney Drive.

Ruthann Hayes, a member of the Steel City Belles Pom Pon Squad, Silver Spirit, Social Studies Club and National Honor Society. Her parents, Mr. and Mrs. Walter Hayes, reside at 4 Petunia Ave.

Lynne Krystopa, a member of the Steel City Belles Pom Pon Squad, National Honor Society and secretary of Silver Spirit. Her parents are Mr. and Mrs. Joseph Krystopa, 93 Cambridge Drive.

An all school election will be for queen only and the other candidates will then be members of the court.

Faculty sponsors are Harry Cook, Mrs. Cindy Hollingshead, Larry Lope and Mrs. Terry Papa.

Those who will participate in the May pole performance include Carol Lewey, Debbie LaVelle, Rhonda Stamps, Dee Dee Davis, Mona Heifer, Cheryl Schofield, Cathy Messina, Tracy McIntyre, De Scheicher, Laura Allen, Jane Marshall, Lori Warren, Robin Munoz, Patty Street, Margi Verschuyt, Debbie Shup, Karen Burns, Kim Landys, Liz Rogenski, Cindy Morris, Donna Laughlin, Mavis Vaughn, Linda St. Ivany, Dawn Stoyanoff.

Ushers are Marty Dooley, Bob Conraux, Dan Buehrer, and Don Cook.

Selected as ushers are Kris Whelan, Brad Gauen, Jerry Broadwater, Tom Richards, Eric Thornberg, John Kastele and Rick Willard.

Job Service personnel to contact area firms

Job Service representatives of the Illinois Bureau of Employment Security and the Illinois Department of Labor will call on owners and operators of many Quad-City business firms next week.

The Job Service contact teams will visit firms which have not actively used the services offered through the program on Tuesday, Wednesday and Thursday, April 11, 12 and 13.

The services are provided at no cost to the employer or job applicant, it was explained.

Representatives of the program will explain what services are available to the employer, such as the referral of qualified applicants to fill specific needs, job tax credit for employers, the federal contractor job listing program and the Work Incentive (WIN) and On-The-Job Training (OJT) programs and many other employer services.

Employers who are not contacted by the representatives may secure further information by calling the Granite City Job Service office, 1820 Cleveland Boulevard, 451-5756, or Granite City WIN office, 25 Nameoki Village Shopping Center, 451-2600.

Amateur art show

Entry forms for the Madison County Town and Country Art Show are available from the Home Economics Extension Office, Box 427, 900 Hillsboro, Edwardsville, telephone 656-4822. The show for adult amateur artists 18 or older will be held May 19, 20 and 21 at Four Flags Motors, Highway 159 south of Edwardsville.

Intent of the show is to serve the out-of-school adult. The committee has determined an amateur to be one who does not hold a bachelor or master degree of fine arts and/or does not receive half or more of his income from the sale of his art work or services.

Artists may exhibit a maximum of eight items. The entry is \$3 for one to four items and \$6 for five to eight.

Classifications include original works in carving, hand thrown ceramics (pottery), oil, sculpture, water color, weaving, charcoal, collage, lapidary, metal work and jewelry, metal enameling, mosaic, pen and ink, pencil, photography, pastel, tapestry, welding, and original design creative stitching. Deadline for entering the show is April 28.

The art show is sponsored by the University of Illinois Cooperative Extension Service, local artists and local art groups.

Abstains on fiscal votes

Madison Third Ward Alderman Ronald Grzywacz abstained from voting on a motion at the Madison City Council meeting Tuesday evening involving a federal grant for regulatory traffic signs.

Asked why he abstained, Grzywacz said, "I feel that until I have been exonerated from the allegations made against me by the federal grand jury for alleged perjury and what the term racketeering, I should not vote on any major financial matters."

"I also have asked Mike (Mayor Mike Sasyk) to temporarily take me off the city finance committee until I am cleared. I suggested the mayor appoint me to perhaps the street and alley committee for the time being," Grzywacz said.

Grzywacz said he had no intention of resigning from the city council, as he has not been proved guilty of anything.

However, he noted that he basically was taking the suggestion of a Press-Record editorial and limiting his participation in the Council, particularly in financial matters.

On the recommendation of the Illinois Department of Transportation the council voted seven in favor with one abstention, to approve low bids for traffic regulatory signs.

Contracts awarded were \$1,081 for sign posts to Woody's Supply of Edwardsville, and \$2,947 for reflectorized signs to the Vulcan Sign Co. of Foley, Ala.

Ninety percent of the cost of the project will be paid by a federal grant and 10 percent by city funds.

Fourth Ward Alderman Christ Cabot and Second Ward Alderman Donald Broyles were absent from the Tuesday council meeting.

TWO BROOKLYN WOMEN WERE treated and released from St. Elizabeth Hospital after an auto accident last week. Pearl Esters, 56, a passenger, was treated for injuries to her left upper arm and shoulder and Ruth Bennett, 33, suffered injuries to her head and underwent x-rays.

Economic education conference April 11

Southern Illinois University at Edwardsville, the University of Missouri at St. Louis, and Monsanto Co. will jointly sponsor a conference on economic education Tuesday, April 11, from 8-45 a.m. until 2-30 p.m. at Monsanto World Headquarters, 800 N. Lindbergh Blvd.

Educational administrators and teachers from school districts in Madison and St. Clair Counties in Illinois and from the metropolitan St. Louis area in Missouri have been invited to attend the conference. Information will be given on economic education programs and opportunities that exist in this area, demonstrating some of the activities teachers may utilize in the classroom.

"The business community is increasingly concerned by what is perceived as a lack of understanding of some of the basic principles of free enterprise and our economic system by young people as they come out of secondary and post-secondary schools," W. F. Symes, president of the Monsanto Fund, said.

Through economic education programs, Symes feels, secondary school students may gain a better understanding of business and job opportunities. Representatives of the Office for Economic Education in the School of Business at SIUE and of UMSEL's Missouri Council on Economic Education will be present to discuss their developmental programs.

Key speaker for the conference will be Anthony Suglia, director of affiliated programs with the Joint Council on Economic Education in New York. Suglia will lead a session

on economic education in the schools, as part of the morning's activities. Richard Fister, assistant to the president for community relations at Washington University, will be the luncheon speaker on "The Economics of the St. Louis Area."

Teachers on the program during the morning session will include Joseph Voegeli, East Junior High School in Alton; Marian Hequembourg, Edwardsville High School; Susan Lybarger, Hamel Elementary School; and Cathi Carpenter, Lincoln School in Collinsville.

The afternoon's activities will include a discussion on "Economics and Food" by John Clow, SIUE, and a presentation on "Economics and Energy" by Robert Stron, UMSEL.

Suglia will present a videotape series suitable for intermediate grades, titled "Trade-Offs."

Information on the conference may be obtained by contacting John Clow or Joanne Dempsey in the SIUE Office for Economic Education, 692-2733.

Public invited to Trailriders show

The Trailriders Saddle Club will begin its 1978 show season at 1 p.m. Sunday at the club arena, located on Chouteau Slough Road, near Rock Road and the Chain of Rocks Canal levee.

The public is invited to attend the "Fun Show," in which riders will compete for ribbons in various events, according to Bill Leroy, new president of the riding club.

Admission is free, Leroy said.

Trespass, theft charges filed

Henry Garcia, 19, of 1821 Maple Ave., was charged with criminal trespass to property and a misdemeanor charge of theft Tuesday, after local officials consulted with the Madison County state's attorney's office on potential charges.

Garcia allegedly was found inside the Barrel Restaurant and Lounge, 19th Street and Delmar Avenue, early Monday, about one-half hour after the

North girls beat South, 72-58

By PETE HAYES

Press-Record Sports Editor
GRANITE CITY - Granite City North's girls track team, behind a strong overall performance from their first meet of the season, and in the process won the city girls' championship whipping Granite City South 72-58 Tuesday at North.

North's Bon Williams and Toni McCann finished one-two in the mile run, and North runner Janet Becherer won the two-mile run to lead a sweep by the north-siders in the two individual distance events.

Williams' time in the mile was 6:11, McCann's 6:20 and Becherer's 6:40.

Clara Bates of North won the 100-yard dash in a time of 1:24. She was followed by South's Rhonda Sanders and North's Mary Ann Votopal. Sanders had a time of 1:27 and Votopal ran in 1:28.

Laura Werths of South won the 80-yard run with a time of 2:47. She was followed by Monica Wadlow of North in 3:14.7 and South's Debbie Burnett in 3:07.

The North team of Dana Ollis, Rhonda Schellinger, Dawn Ford and Laura McKee won the 800-yard medley in a time of 2:09.

The two-mile run was won by North's Becherer in a time of 12:55. She was followed by two South runners, Sandy Schreiber in 14:05 and Patricia Petty in 15:24.

The North team of Schillinger, Votopal, Clara Bates and Ford won the 400-yard relay event in a time of 3:53.

Margie Verschuyl of North won the 200-yard hurdles in a time of 3:36, followed by her teammate Barb Miller in 3:58 and South's Debbie Englemann in 3:59.

South's 880-yard relay team won the event in a time of 2:01. Members of the team are Linda Bell, Terry Schuler, Nancy Stephens and Denise Goode.

Chris Boyd of South won the 400-yard dash in a time of 1:10, followed by teammate Vicki Griffith in 1:11 and South's Betty Bula in 1:14 for a south-side sweep of that event.

South took the 110-yard hurdles in a time of 18 seconds. North's Kay Mackum was a close second in 18.1. Dana DePew of South was third in 18.7.

Schillinger of North won the 220-yard dash in a time of 2:29. Dawn Ford of North was second in 2:34, followed by South's Rhonda Sanders in 3:05.

The South mile-relay team of Christy Bauer, Laura Werths, Debbie Burnett, Chris Boyd, won that event in a time of 4:51.

NORTH also took first-place honors in three of the four field events. Connie Morrison of North won the discus throw with

a toss of 100 feet, 10 inches. South's Bev Lanslaw was second at 85 feet, four inches followed in third place by Cindy Jackovich with a toss of 85 feet, one inch.

Rhonda Schillinger of North won the long jump with a leap of 15 feet, 11 inches, followed by Dawn Ford at 14 feet, 3/4 inch and South's Chris Boyd at 13 feet, 6 1/2 inches.

North's Cindy Goeller won the high jump with a leap of five feet. Her teammate, Chris Fabischer was second at four feet, eight inches. South's Gwen Simpson at four feet, five inches was third.

South made a clean sweep in the shot put. Lisa Sarich was first at 29 feet, 3/4 inch. Susan Jeffries was second at 27 feet, eight inches and Robin Stark in third at 26 feet, 3/4 inch.

South's dual-meet record now drops to 0-2 while North is 1-0. The next meet for North is today at Mascoutah. South will also be in action today at home against O'Fallon. Both meets are scheduled to begin at 6 p.m.

South falls to Riverview, 9-7

By DOUG IRVIN
For the Press-Record
"If we learn from a game at this time, it's worth the loss."

commented South's Coach "Babe" Champion about his team's loss to Riverview Gardens yesterday, 9-7, at

Riverview. Tuesday, Champion's nine defeated Belleville East 9-3 on the South dirt.

SOUTH v. RIVIEW
"Never say die" was the motto late in the game on the South bench as they found themselves down 8-2 after the first inning. South came right back to score five more runs to their one.

Jim Thurman singled to left field to put the first man on base and John Krekovich walked to advance Thurman. Larry Heagy doubled to score Thurman. Krekovich scored on an error charged to the Rams second baseman, Steve Ralls. Riverview scored six more runs than did South in the first.

Brian Meehan pitched first for South and he walked the first two batters, Ron Rains and Mike Rieker. Dan Kelley singled to lead the bases. Steve Henry, Riverview's designated hitter (DH) sacrificed to bring in Rains. John Reuschle doubled. Ralls walked to lead the bases again. John Coppersmith walked to score Reuschle.

Al Yount of South came in to

relieve Meehan. Rains advanced to first on an error charged to South's Mark DeGonia, which scored Herbet. Rieker hit the ball hard to right field. Larry Pinkston, right fielder of South, erred when fielding the ball. This scored Myer, Coppersmith and Rains.

South partially retaliated in the second with four runs. Pinkston and DeGonia singled and Tom Henrich walked to lead the bases. Thurman sacrificed to the infield to score Pinkston. Krekovich got hit by a pitch to reload the bases. Heagy walked to score DeGonia. Pat Hogan singled to right field to bring in both Henrich and Krekovich. After two innings of play, Riverview led, 8-6.

After a scoreless third, Riverview scored one more run this one in the fourth. Rieker led off with a base hit to center field. Reuschle singled to DeGonia who made an error when throwing to first allowing Rieker to score, 9-6.

The next action came in the sixth as South scored their final run. Thurman singled to center and advanced to third on an error. Thurman scored when Krekovich hit to right field.

SOUTH v. BELLEVILLE EAST
"Super," commented Champion. "The kids worked hard-super. Tretter did a fine job. Jeff Tretter pitched the entire game for South and didn't let East score until the seventh. Then, they got only three. South defeated the Lancers, here, 9-3, Tuesday.

Henrich led off the first with a base hit to left field. Thurman advanced him with a hit up the middle. Krekovich tripled to left field and scored on an error to give the Warriors a 3-0 lead.

Tretter, still in the first, pumped one over the 340 mark in left field, 4-0.

The third inning yielded another run for South. Tretter led off with a free trip to first courtesy of a base on balls. Hogan walked and Dan Schaus sacrificed to advance both runners. Pinkston singled to left field to score Tretter, 5-0.

The fourth gave South still another run. Heagy doubled to left field. Tretter then doubled to right center to score Heagy, 6-0.

South scored their final runs in the fifth. Pinkston walked and advanced when Henrich got on courtesy of an error. Thurman then singled to put two men on. Both advanced on a pass ball. Rick Wager walked to lead the bases. Jeff Wadewer singled to short center to score Seiffert. Mark Hill scored Ludgate and Wager as he got on base as the result of an error. No other scores were made as 9-3 was the final score.

After both games, South's record goes to 4-2. Today, the JV squad travels to Lee Park where they face the Venice nine at 4 p.m. Both JV and varsity have double headers Saturday morning at 11 o'clock. The JV faces Bebalto on diamond two in Wilson Park and the varsity will host Greenville at South.

North unbeaten; beat Kahoks 3-1

GRANITE CITY — Granite City High School North ran its baseball record to 3-0 here yesterday with a 3-1 victory over Collinsville.

Earlier in the week, North defeated Belleville 11-2.

YESTERDAY, North's left-fielder, Russ Gregory, got the scoring started in the bottom of the fourth inning when he put the Stealers ahead 1-0.

Things stayed that way until the fourth inning when south stop Bob Baley singled for North. Bruce Wright then smacked a groundball up the middle that was misplayed by Collinsville second baseman Ward Billhart, allowing Baley to score all the way from second.

In the sixth inning, Baley singled, stole second base and moved to third on Tom Greco's infield hit. North pitcher Doug Rains drove him home with a sacrifice fly to left field.

Collinsville got one run in the

top of the seventh when left-fielder Dan Deets tripled and scored on Doug Albright's single to left field.

With the loss, Collinsville's record drops to 0-3.

FOR NORTH, Rains struck out 14 batters in the game and at one time fanned nine in a row from the third to the sixth inning.

The next action for North will be Monday, April 10 at home against Madison beginning at 4 p.m.

Tuesday against Venice, North was held to six hits, but made the most of them plus 10 errors by the Red Devils.

Greco led the way for the pitchers piling out two hits, including a home run.

With the loss, Venice's record dips to 0-3.

Raymond Matkins had two runs scored for Venice and one hit. Venice was outbait by the Stealers 6-3.

Madison ties Althoff

MADISON - The Madison High School girls track team tied Belleville Althoff here Tuesday afternoon 63½-63½ in its first dual meet of the season.

Original plans called for a double-triangular meet with the Alton Marquette, Althoff and Madison boys' and girls' teams competing against each other at the same time. But Marquette's track team did not arrive for the meet.

Veronica Williams of Madison won the two-mile run in a time of 15:33. She was followed by Althoff's Betty Beidenbach at 15:43.

The Madison team of Linda Campbell, Annette Walker, Alicia Jones and Patricia Melton won the 880-yard medley in a time of 2:10 and finished second in the 400-yard relay in a time of 5:02, compared to Althoff's winning time of 37.5.

Melton of Madison won the 100-yard dash in a time of 1:26, followed by teammate Terry Smith in 1:29.

Lydia Apponey of Madison was second to Althoff's White in the 880-yard run. Apponey ran in 3:20, compared to White's 3:41.

Lanter of Althoff won the 220-yard low-hurdles in a time of 2:26. Venita Davenport of Madison was second at 41.3.

Veronica Williams of Madison was second to Althoff's White in the mile-run.

Madison's Alicia Jones won the 220-yard dash in a time of 2:27. Melton was second in 2:26.

Becky Dutko of Madison was first in the high jump with a leap of four feet, four inches. Darlene Reed of Madison was the winner in the shot put with a toss of 36 feet, nine inches.

Madison also won the discus throw when Darlene Bennett heaved the disc 82 feet, one inch. Kim Williams, also from Madison, was second with a toss of 70 feet, 10½ inches.

Veronica Williams won the long jump for Madison with a leap of 13 feet, 10½ inches to complete a sweep for Madison in the field events.

Not one, but TWO 300 games

GRANITE CITY — When a person bowls a 300 game, it's somewhat like pitching a perfect game in baseball or an individual scoring 50 points in a basketball game.

That's exactly what happened recently to two Granite City men, Paul (Sandy) Heffner and Ed Gaudreault. And what's even more amazing is, they both bowl in the same league; the Men's Industrial. Heffner bowled his last November and Gaudreault bowled his on Feb. 2. They both bowl at Bowland Lanes on Maryville Road in Granite City.

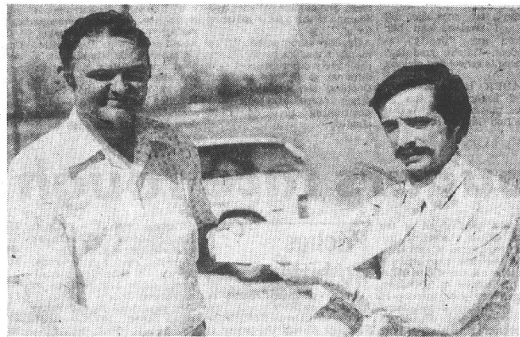

Heffner and Gaudreault each received a \$300 savings bond from Bowland Lanes and a wall plaque from Columbia Industries, makers of bowling balls.

Each also received a specially-designed and engraved wall clock from the Greater St. Louis Bowling Association. Heffner received a diamond ring and Gaudreault a watch from the American Bowling Congress.

Each man has been bowling for about 20 years and has come as close as a high-270 to a 300 game before.

The two 300 games were the first at Bowland in five years.

It also marks the first time in Bowland history that two men from the same league have bowled 300 games.

Cougar golfers win championship

By JERRY DEVANY
Southern Illinois University at Edwardsville golfers of Harry Gallatin won the college division championship trophy in the Eastern Kentucky University Invitational Golf Tournament at Richmond, Ky., during the weekend. The SIUE Cougars slipped by Wofford College by one stroke, 616-to-617.

Leading the Cougars to their first-place finish was junior Tim Gehrig, from Highland, as he won individual medalist honors with a 36-hole score of 147. Gehrig was the first round leader when he shot a sizzling 69-73 to place second in the four-day, 72-hole tournament. Tim edged Jack Walters of Wofford by one stroke to claim the individual title.

Les Agne, the sophomore from Belleville, finished third in the tournament with a 151 stroke total. Last week in Miami, Les was the top Cougar finisher, placing 11th. Agne had rounds of 76-73 to place second in the Cougar individual scores behind Gehrig.

Gehrig and Agne formed a one-two punch for SIUE, as Gehrig averaged 74.5 and Agne

a hair behind at 74.6 during the fall season. Other SIUE scores were Dave Dean's 81-76 for a 157 Guy Phillips 83-75 for a 159; Mark Hofstetter 81-81 for a 162 and Steve Gower 78-80 for a 158.

THE TOURNAMENT WAS divided into university and college divisions. Winning the university division was Eastern Kentucky University's A-team with a score of 587. Eastern Kentucky's B-team finished second with a 601, followed by Tennessee U.'s 606, Illinois State's 608, Morehead State's 611, to round out the top five. SIUE-Carbondale finished 16th with a total of 639 as the Cougars finished ahead of the Salukis for the second week in a row.

Cougar Gallatin's SIUE crew has finished sixth and first in their first two matches of the season. And they have finished ahead of some big name schools in the process. This past week they beat out Purdue, Wisconsin, Bradley, Louisville, Northern Illinois, Western and Eastern Illinois and SIUE-Carbondale.

"From what we have seen, the SIUE Cougar golf team

could be the best in Illinois now," says Gallatin. Gallatin is high on his young Cougars with a starting line up of one freshman, two sophomores and three juniors.

Fresh from winning the crown last week, the golf team will move up a big notch when the Cougars play Saturday in the 10th annual University of Illinois Invitational Golf Tournament at Champaign.

Gallatin, whose golfers are now 38-12 for the season, is hopeful that his Cougars will better their seventh-place finish of last season in the Illinois classic.

The tournament, which will be played over the tough Orange Course at Savoy, will follow a 36-hole stroke play format. Six men may compete for each team, and the low five scores will count for each 18-hole round.

Teams entered in the meet are: Bradley U., Iowa U., Michigan U., Michigan State U., the U. of Minnesota, Northern Illinois U., Northwestern U., Indiana U., SIUE-Edwardsville, SIUE-Carbondale, Eastern Illinois U., Ohio State U., Purdue U., Western Illinois U., the U. of Wisconsin, Illinois State U., and Western Michigan U.

Hattendorf picked

By DAVE CAUSEY
Mark Hattendorf, wrestling team co-captain at Southern Illinois University at Edwardsville, has been invited to participate in the NCAA Division II all-stars international competition. The meet is being held in Mexico City, Mexico. It began yesterday and will continue through Friday.

Hattendorf was selected, along with 12 other Division II athletes, for his outstanding performance during the past wrestling season. Accumulating a record of 21-9-0, with seven falls, Hattendorf also captured titles at such prestigious tournaments as the Illinois Invitational and the Southwest Missouri State Invitational. He achieved A-American status for the third time in as many years at SIUE. Hattendorf, if he places in the Division II championships

MARK HATTENDORF

next year, will become the first four-time All-American in the history of SIUE.

Hattendorf is wrestling at 177-pounds during the tournament,

as he has during the entire season. Hattendorf was entered for consideration to the international competition when he placed as runner-up in the Division Two national championships. His nomination was secured when he performed well in the NCAA Division One (big schools) tournament, placing among the top eight in his weight class, while also placing two highly seeded opponents.

Mexico and numerous other countries, including Cuba, Japan and Canada, will be represented in the international competition.

Hattendorf is the third SIUE wrestler in the history of SIUE to be named to an international team. He was preceded by Jerry Washington, who toured Russia with the U.S. national team three years ago, and Granite City's Jan Gitch, who placed second in the World Games two years ago.

Tri-City Speedway duties for Thompson

Ken Thompson, a Granite City businessman, has been named director of public relations of Tri-City Speedway, 5100 Nameeki Road, for the 1978 auto racing season. Jim Moughan of Springfield has announced. Moughan is promoter of Tri-City's racing programs and president of the Dirt Trackers Auto Racing Association.

Thompson, 40, will encourage coverage of and interest in motorsports. John C. Richardson, also of Granite City, is to serve as track photographer during the auto racing season here.

Born in East St. Louis, Thompson has been resident of this region all his life. He attended East St. Louis High School and Southern Illinois University at Edwardsville, where he majored in business and radio broadcasting and hosted a university-based auto racing radio program for six years.

A former motorsport representative of United Press

International and a member of the International Motor Press Association of New Jersey, Thompson has authored weekly columns on the sport. In 1975, he was selected for an edition of "Who's Who in Drag Racing," a compilation of professional and amateur participants in the U.S. and was the recipient of the Dale Mueller Memorial Award of the St. Louis Auto Racing Fan Club.

Thompson is a former Press-Record reporter. He and his wife, Eugenia, and two daughters, Robin and Michelle, reside at 12A Westgate Drive, Pontoon Beach.

'Get in shape' classes slated

"GISS" (Get in shape for summer) women's exercise classes have started at the Tri-City Area YMCA, 2001 Edison Ave., Granite City.

These exercise classes include floor exercises and light jogging, with the goal of increasing overall fitness.

One-hour classes are held on Monday and Wednesday from 10 a.m. to 11 a.m., on Tuesday and Thursday from 12 noon to 1

p.m., and also from 7 p.m. to 8 p.m. on Tuesday and Thursday. The YMCA Drop-In Center for participants with children is available during these hours at a nominal charge, a spokesman said.

New classes begin April 24, and all those who want to "GISS" are to call the YMCA at 878-7200 to register for the next session. Attendance on a daily basis is also possible.

Cougar wrestlers successful

By DAVE CAUSEY
The Southern Illinois University at Edwardsville wrestling Cougars have just

completed another successful wrestling season, finishing with a dual meet record of 7-5-1 and a fifth place finish in the MCAA

Division II National tournament. It is the fifth year in a row that Cougar wrestling squad of Coach Larry Kristoff has finished in the top six in Division II.

Four SIUE wrestlers earned All-American honors this season. Mark Hattendorf, a 177-pound wrestler picked up, second in Division II. A junior, Hattendorf has earned All-American credentials in every season he has wrestled at SIUE. Dru Mesches, 142-pound junior, picked up his second All-American award by taking runner-up at the nationals. Mesches and Hattendorf were the Cougar co-captains this season.

Cougar 118-pounder, freshman Tom Reed, became only the third freshman All-American in SIUE history when he placed fourth in his weight class at the national tournament. He is preceded in that fashion by Hattendorf and Terry Mulrenin, who took a fourth at 126 pounds four years ago.

David Robinson, who placed second at 134 pounds two years ago as a sophomore, sat out last season but came back this year to claim his last year of eligibility. His hopes of repeating his previous All-American performance were dealt a heavy blow when he suffered a broken jaw in the pre-season. Disabled until mid-January, Robinson's conditioning could never reach its potential. Although he was not in top shape, Robinson placed fifth at the national tournament, earning another All-American award on sheer native ability. By virtue of their second place finishes in Division II,

Mesches and Hattendorf both qualified to participate in the Division I championships. Although hampered by a nagging knee injury, Mesches managed to score a fall in the first round. He was then beaten 13-9 by Washington State's Doug Smith and was eliminated from the tournament.

Hattendorf put in a fine performance. In the first round he pinned the seventh seeded Don DiGiachino of Bloomington State and then defeated Northern Colorado's Mike Decker 15-11 to reach the quarterfinals. There Hattendorf was pinned by eventual runner-up Eric Wais of Oklahoma State. Hattendorf then split his two consolation matches to be eliminated. His performance places him in the top eight wrestlers in his weight class throughout the entire nation. Still only a junior, Hattendorf may well be the man to beat next year.

The outlook of next year is bright indeed, with All-Americans Reed, Mesches and Hattendorf returning. Terry Mulrenin, a two-time All-American for the Cougars, may come back out of retirement to finish off his career at SIUE.

The 1977-78 Cougar squad was very young with only Dave Robinson being the only senior and the co-captains the only juniors.

The Cougars had two standout sophomores this season in Tim Neher, a 156-pounder who compiled a record of 28-7-2, and Melvin Roberson, the Cougar heavyweight, who ran up a record of 15-4.

The Cougars also had the best crop of freshmen ever. In addition to Reed, returning as

Trojan track team tops Althoff

MADISON — The Madison High School boys' track team won its first meet of the season here Tuesday from Belleville Althoff, 87-52.

The meet was originally to have been a triangular but Alton Marquette, the third team set to be involved, did not arrive.

The Madison mile-relay team of Tony Mayes, Alvin Bankhead, DeLarry Crochrell and Cecil Cross took that event in a time of 9:19.

Eric Stanley, Tim Colston, Troy Butler and Ernest Davenport teamed up for Madison and took the 440-yard relay in 1:47.5.

Ron Morris of Madison won the 120 high hurdles in a time of 1:18.4. Tim Colston was second in the 100-yard dash in 10:8 and Mayes won the 880-yard run in a time of 2:12.

Ernest Davenport of Madison and teammate Carlin Jackson ran one-two in the 440-yard dash. Davenport in 54.3 and Jackson in 58.2.

Morris took the 330 low hurdles in 44.0. Cecil Cross won the mile run in a time of 9:16.3. The Madison mile relay team won that event with a time of 9:31.

Madison performed well in the field events, winning three and placing second in two.

Tim Colston won the triple jump with a leap of 43 feet, 3/4 inches followed by Trojan teammate Troy Butler at 37 feet, 11 1/4 inches.

Ron Morris won the high jump at four feet, eight inches. Colston took the honors in the long jump with a leap of 19 feet, 7 1/4 inches. Eric Stanley finished second in the shot put with a toss of 37 feet, 11 inches.

Madison falls to Lincoln, 12-11

EAST ST. LOUIS — Errors, errors, errors. For Madison High School baseball coach Bill Campbell, how sweet they were here Tuesday. But not quite sweet enough.

Campbell saw his team outlast by East St. Louis Lincoln 13-3, but stay in the game because of 10 errors by Lincoln.

Trailing 9-6 going into the sixth inning, Madison managed to take advantage of three costly Lincoln miscues and grab an 11-9 lead. But Lincoln's Tigers came back with two runs of their own in the bottom half of the inning to tie the score at 11-11.

Cougars fall

ST. LOUIS — The Southern Illinois University at Edwardsville baseball Cougars saw their season record dip to 3-6 here Tuesday when they dropped both ends of a doubleheader to the University of Missouri-St. Louis, 5-4 and 6-5.

In the first game, SIUE scored four runs in the top of the third inning, only to see UMSL come back to win one, 4-3 in the bottom half of the inning. The Rivermen of UMSL scored twice in the fourth inning to take the lead. Kent (Stork) Hendrikson was tagged with the loss for SIUE.

In the second game, the Rivermen extended their overall winning streak to 12 games when they hung on to

defeat the Cougars. SIUE grabbed a 1-0 lead in the third inning, but fell behind 6-1 into the sixth.

Park district needs managers

The Granite City Park District summer baseball program still needs two managers for the upcoming summer baseball season. Managers are needed for both the 10-year-old and nine-year-old Adult Division teams. Youngsters in this age group play "T-ball."

Those interested in managing a team may call the Park District office at 877-3059.

By KATHY SMALL

Not many athletes on a college team are married and have three kids. Sue Crader, a top-ranked member of the women's tennis team at Southern Illinois University at Edwardsville, is one of them.

"I had been thinking about coming back to finish my degree and play tennis," said Crader, a

computer science major from North St. Louis.

Crader's three sons, ages six, nine and twelve, and her husband are "pretty independent. They're glad that I'm going to school and playing tennis."

CRADER is consistently ranked among the top 10 doubles players in St. Louis. Coach Bob Gamble said, "Sue

will be an important asset to our team. She has the patience and stamina to win a lot of matches for us."

Crader commented, "I'm mainly a doubles player. It's a completely different sport — a different game than singles." Doubles, she explained, has much more strategy and positioning involved than singles.

"AND ALSO, when I lose, I don't like to be the only one. It helps, too, to have someone putting you on the back saying 'come on, let's go,'" she said. Crader thinks Gamble is a good coach. "He's making us challenge each other to set up the ranking of the team. Practice really helps — it's something I've never really done before. If you don't keep

up with your game, you're not going to be ready to play," said Crader.

Crader has high hopes for the Cougars this season. "I think we've got a strong team. We all have played a lot of tennis," she said. She has, she added, a slight psychological edge over the other girls because she has played tennis longer.

"A BIG PART of tennis is

consistency. Out on the court, you don't usually run out of energy because you've played enough to be in shape," Crader explained. Crader really enjoys tennis and hopes to stay with the women Cougars until she graduates. "I hope to play all my life. I play tennis socially with people who are in their 60's. I think it's great."

Lady Cougars face tough schedule

By BOB GAMBLE

The Southern Illinois University at Edwardsville women's softball team is facing the toughest schedule in its history, including 13 games, three tournaments and a round-robin tourney with which the season will be opened.

Starting its sixth season, the softball players have "a very good chance of winning the state tournament," according to their coach, Cindy Jones. "These kids have been together a long time, and I have a feeling it's their year to put it all together," Coach Jones predicted. She added: "We'll have a much stronger bench and more depth in our pitching. It was this lack in depth on the mound that hurt us most last season. There will also be some fierce battles for a couple of outfield berths."

Four of Jones' players will be playing their fourth year as Cougars, and three others will be in their third season. If the season were to start today, the lineup could look like this: Catcher: Sharon Frey, a fourth-year veteran receiver who has an uncanny ability of "reading" batters' weaknesses, and defensively she has proved to be outstanding.

A mainstay on the SIUE pitching staff last year, Tammy Rainwater, will be given some relief this campaign by Dena Rains, a freshman standout prospect. Rainwater, whom Coach Jones says can now be used in a utility role, is a versatile athlete. She's from Bethalto.

Says Jones about young Rains: "Dena throws harder than anyone I've ever coached, and this will give Tammy Rainwater a shot at the outfield and a chance to concentrate on her hitting. Last

year, she handled all of the mound duties, including pitching five games in two days during the state tournament."

First base duties will be in the capable hands of Kathleen Going, a three-year, three-sport star on whom Jones leans heavily. Going's steadiness and overall consistency at field and at bat.

Jane O'Laughlin, also a three-year veteran in three sports, will be at second base. A flawless fielder, O'Laughlin hopes to improve her hitting, too.

A senior, Jane Bertoglio, another four-year veteran, will be at shortstop and with O'Laughlin at second, will give the Cougars a terrific double-play combination. Another senior, Jerri Wilson, is slated to fill the hot-corner slot at third base. Said Coach Jones: "Jerri is our Brooks Robinson," and she added: "We need her at third."

Another SIUE woman athlete, Granite City's Jo Brooks, will be patrolling left field for the Cougars. The center and right field slots are up for grabs. However, sophomore B. J. Schrage and freshman Amy Frey have to be considered leading contenders for those two spots. Others in contention are Robin Hayden, who was on the squad last year, and a junior college transfer, Debra Martin.

The 1978 softball SIUE schedule: Friday, March 31 — SIUE at Southern Illinois University at Edwardsville; Saturday, April 1 — SIUE at Principia College, 12 noon; SIUE vs. Western Illinois U., 12 noon; St. Louis U. vs. University of Illinois, Chicago Circle, 2 p.m.; Principia College vs. Western Illinois U., 2 p.m.; St. Louis U. vs. Western Illinois U., 4 p.m.

Monday, April 2 — SIUE vs. St. Louis U., 10 a.m.; U. of Illinois, Chicago Circle, vs. Principia, 10 a.m.; Principia vs. St. Louis U., 12:30 p.m.; SIUE vs. Western Illinois U., 2:30 p.m.

Pitches no-hitter

Every pitcher dreams of hurling a no-hitter. Freshman Dena Rains of the Southern Illinois University at Edwardsville softball team saw her dream come true Tuesday at Cougar Field as she turned back Eastern Illinois University, 2-0, without a hit.

Rains received help in the runs-scoring department from her sophomore shortstop teammate, Robin Hayden of Granite City. Hayden has been wielding a hot bat lately; against Eastern she blasted out her second triple of the season. She has also collected a pair of doubles, too, against Eastern.

"She's been doing a good job for us," said SIUE Coach Cindy Jones. "I was sure she could do it," the coach added.

The Cougars' record is now 4-1. They handed Eastern its first loss in seven games. Rains also got some help at the bat from freshman Amy Frey, who collected her fifth hit (a single), and junior Jane O'Laughlin, who connected for a single.

Tuesday, April 4 — SIUE at Eastern Illinois U., Charleston, doubleheader, 4 p.m.

Friday, April 7 & Saturday, April 8 — at SEMO Invitational, game times and foes to be announced.

Friday, April 14 and Saturday, April 15 — SIUE Invitational, Pool No. 1 — University of Missouri, St. Louis; Greenville College and

Florissant Valley; Pool No. 2 — SIUE, Meramec Community College and Southeast Missouri State.

Highway 162, I-270 improvements slated

Improving existing highways and providing jobs in Illinois are major goals of the state's \$675.7 million highway improvement program for fiscal 1979, announced by Governor James R. Thompson on Wednesday.

Thompson said the program is one of the largest in the nation.

Major non-interstate projects scheduled for the July 1978-June 1979 year in District Eight include resurfacing of 2.80 miles of Illinois Route 162, from Nameoki Road to Illinois Route 111, at an estimated cost of \$230,000.

Closest major freeway improvement will be the \$4 million improvement of FAP 409 in St. Clair County, between Illinois Four and U.S. 50 near Lebanon. There will be 1.3 miles of grading, two structures, utility adjustments and land acquisition.

On Interstates 270 and 70 in Madison County, there will be 8.16 miles of resurfacing and roadside safety improvements from north of Ill. Route 162 to I-270 and from Ill. Route 157 to I-70. Estimated cost is \$3,570,000.

For extension of I-270 in Madison, St. Clair and Monroe counties, \$15,689,000 is projected for land acquisition, utility adjustments and archeology salvage.

Along I-270 in Madison and St. Clair counties, it is proposed to spend \$54,870,000 for grading, sand drains, 26 grade separations and bridges, and reconstruction work at connecting highways.

action was deferred to determine more definitely the areas in which parking of tractor-trailer units would be permitted.

As drafted, the bill prohibits parking of trailer units on city streets, except those in M-1 and M-2 light and heavy industrial districts established under the city's zoning law.

William Scheider, acting as spokesman for the delegation, protested that many drivers and owners of tractor-trailer units own their rigs and take them home at night not only as a means of transportation, but to protect them as well. Scheider said the drivers and owners are responsible for cargoes, and that such cargoes can be pilfered if trucks are parked in out-of-the-way places.

"If you ban these trucks what about trucks that are used for sales?" Scheider asked. "I think you are stepping on business. These trucks are these men's business."

Alderman Lloyd Bailey of the Fifth Ward said he believed parking of trailer units on the streets caused damage to the roadways.

"I remember one instance on Roosevelt Avenue when a driver parked his trailer, disconnected the cab and left the trailer down on its legs. That caused damage to the street, a lot of damage," Bailey said.

Alderman Glen Sprankle of the Fourth Ward remarked to Bailey, "How would you like to drive a truck every day for a living. This is these men's business and I don't favor this ordinance."

Scheider explained that he and the other truck operators did not favor the ban on parking of tractor-trailer units on the streets.

City Attorney Lance Callis explained that the ordinance does not ban parking of the tractor units on the streets, and that anyone with private property on which they can park the trailer unit has a right to do so.

Mayor Paul Schuler noted that action should be taken on the ordinance in Tuesday night's meeting, although Alderman Charles Douglas, who deferred final action on the bill a week ago, suggested that the ordinance be deferred again and "take another look at it."

Scheider, however, informed the council that the fact that the ordinance bans only the parking of trailer units, and not the tractors, had satisfied the delegation and that the group had no further objection to the bill.

The ordinance was approved unanimously on a roll call vote.

In a related action, the council then enacted an ordinance which also bans the parking of trailer units on three specific streets, parts of which are in M-1 and M-2 industrial areas.

The areas affected by that ordinance include: Either side of 21st Street from Route 208 to Lee Avenue; either side of Monroe Avenue from 21st to 23rd streets, and either side of 23rd street from Nameoki Road to Lee Avenue.

Alderman Douglas noted that on these particular street sections, one side of the streets are in an M-1 or M-2 district, but the opposite sides are in residential districts.

Therefore it was necessary to include all of the street sections in a no-parking area, it was noted.

Storm brings .12-inch rain to Quad-Cities

Today's early morning thunderstorm brought .12 of an inch of rain to the Quad-City area, the first this month. The heavy rain over a short period was accompanied by heavy wind gusts, but no major damage was reported.

The first April rainfall followed a total fall of 5.48 inches during March, including both snow and rain, one of the heaviest monthly precipitation readings during the past year.

March rainfall was 3.14 inches above normal of 2.34 inches for the month.

It brought to 8.35 inches the total precipitation for the first three months of the year, or .99 inches above the normal of 6.36 inches for the three-month period.

Most of the March precipitation was in snowfall recorded on March 1, 2 and 3, on March 7, 8 and 9 and on March 14. Heaviest rain of the month was on March 25 with a fall of 1.62 inches.

HURT IN CRASH

Gerald Davis II, 17, of 2133 Bryan Ave., was treated and released from St. Elizabeth Hospital early this week after being injured in an auto accident. He suffered only minor injuries.

Sentenced to jail term

Robert E. Odum Jr., 22, of 1619 1/2 Richmond Ave., has been sentenced to serve six months in the Madison County Jail and two years at probation after pleading guilty to attempted burglary.

It was alleged that on Dec. 14, 1977, he broke a window of the Cottonwood Sports Center in Glen Carbon with intent to commit a theft from the building. The sentence was pronounced by Circuit Judge Harold Clark.

PARKING CONGESTION at the Granite City Post Office on Madison Avenue has been made worse with the erection of a fence along the west side of the facility's parking lot eliminating about 15 spaces due to the construction of the new Granite City police station adjacent to the parking area. The fence erection was approved by Postmaster Herbert

Backs to allow more room for construction workers and equipment. A future parking problem may arise after the construction of the police station as there are no plans for a public parking facility for the station because of a lack of funds.

Brooklyn man faces charge

Albert Banks Jr., 34, of Brooklyn, pleaded innocent Wednesday to a charge of unlawful use of a weapon and is being held in Madison County jail in lieu of \$1,500 bond.

Police said he was found lying nude in the street near the Broadway underpass, allegedly holding a .38 caliber derringer at 10:30 p.m. Tuesday.

He was treated at St. Elizabeth Hospital at 10:45 p.m. for bruises to his arms and knees, and was released.

According to authorities, Banks was incoherent when they found him.

After Banks was released from the hospital he showed police where he had dropped his clothes while he was running, officers said.

Venice police are investigating Banks' claim that someone is trying to kill him.

No payments for towing, owner says

Andy Economy of Lee and Andy's Towing and Storage, 1330 Madison Ave. Madison, stressed this week that his company has made no payouts to obtain towing business.

"As the only towing service in the Madison-Venice area, we do extensive business because of our capability and our 24-hour service," he commented.

He said he has received calls from friends about towing practices since a federal grand jury in Springfield released an indictment against three Madisonians.

The indictment text includes references to towing activity, he said.

Urges caution in signing home contracts

Mayor William Ebersold announced today that he is asking Venice residents to be careful about signing any home improvement contracts with firms the residents are not familiar with.

Mayor Ebersold said there have been several reports in other areas about questionable building repair and home improvement firms.

Residents in Venice that are contacted by any firm not from the Quad-City area, are being asked to contact the police department to verify the firm has the proper Illinois licenses, the mayor said.

Donnewald the next Senate president?

By AL MANNING

SPRINGFIELD — Some Democrats think there is a move among Downstate Democrats to support Sen. James Donnewald of Breese for Senate president next year.

Senators contacted were careful not to make a binding commitment, but they did praise him.

Sen. Jerome Joyce of Reddick said: "Yes, I could support him. He's one guy who bridges the gap between everyone. So many times we've had problems in the Senate — he's one guy who can come to both sides and talk. He's a reasonable guy."

Sen. Sam Vadalabene of Edwardsville said: "I see no reason why I wouldn't support him. It's something we Downstaters haven't seen for a long time. He's been there long enough and knows the Legislature forward and backward. He's earned it and deserves it."

Sen. Ken Buzbee of Carbondale said: "I certainly could, if he became a candidate. He would be a perfectly good candidate."

Sen. Gene Johns of Marion said: "Sure I could support him, absolutely. He's my

Downstate leader and I think the world of him. He's qualified and has the experience. Other Downstaters are interested who are not as well qualified. I want to go on record for Donnewald, so maybe the others will not think about it so much."

Democrats will have a leadership vacancy next year because Senate President Thomas Hynes of Chicago is not seeking re-election because he is a candidate for Cook County assessor.

The battle to elect Hynes was last year legendary — 180 ballots. Terry Bruce led a rump group, known as the Crazy Eight or Democratic Study Group, in opposition to Hynes, but now Bruce is a candidate for Congress.

BILL BALLARD, youthful magician, who will perform at the annual public carnival at St. Mary's parish hall from 5 p.m. to 9 p.m. April 14.

2 hurt in crash today

Two women were being treated at St. Elizabeth Hospital this morning after their autos collided on Washington Avenue at Hedges Avenue at 8:40 a.m. today.

Dorothy Rainey, 718 N. 28th St., suffered severe head injuries and multiple contusions and a rescue tool had to be used

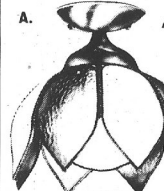

by Granite City firemen to push her car seat back and remove her.

Faye Ann Stroder, 2253 Washington Ave., suffered abrasions to her head and neck and pain to her neck, a knee and a leg.

They were taken by a Granite City ambulance to St. Elizabeth Hospital for treatment.

Man flees police, arrested in residence after struggle

Granite City detectives are attempting to determine the identity of a 20-year-old man who allegedly resisted arrest and struggled with three officers at 2 a.m. today.

Police were told two people in an auto were acting suspicious and were ducking down everytime an auto approached. Police checked the auto and found a man and a woman crouched in the auto hiding.

They were ordered out of the

car and when Patrolman John Apperson began to question them, the man ran to a home in the 2300 block of Lincoln Ave., pushed the door hard with his shoulder, breaking the door from its hinges, and entered the home.

Apperson chased him into the home as Sgt. George Gallas and Patrolman Robert Krause went to the rear of the house. They reported hearing shouting from several persons, including Apperson, inside and entered to

see about eight persons, adults and children, yelling at Apperson and using profanity. When asked where the man who was chased into the house was hiding, those present refused to answer. Krause said one youth brandished a knife and another stood outside a window with a brick in his hand as though he was going to throw the brick through the glass at the officers.

The 20-year-old was taken to the Granite City Jail and while being booked, allegedly gave officers a name which they believe is false. A woman who

kitchen sink and was ordered to stand up. He complied, but then allegedly started to swing a fist at Krause.

The three officers wrestled with the man before he could be handcuffed. Others in the house were pushing the officers and yelling profanity at them, they reported.

The 20-year-old was taken to the Granite City Jail and while being booked, allegedly gave officers a name which they believe is false. A woman who

said she was his mother-in-law identified him as an Aurora, Ill., man.

The woman who was in the auto with him came to the police station with a group of persons from the home where he was arrested and told officers she was his wife. She was released without being charged and the man was charged with disorderly conduct and resisting arrest.

Department rescue unit was called to the scene and used the "jaws of life" device to break the steering wheel so McKechan could be moved safely.

Granite City ambulance personnel placed him on a backboard with a neck brace and removed him from the auto.

McKechan was taken to St. Elizabeth Hospital where X-rays were taken and he was transferred to Firmin Desloge Hospital, St. Louis, due to the possibility of a broken neck.

However, doctors there said nothing appeared broken, but his neck was twisted. A cervical collar was applied and McKechan, who requested he be released for bedrest at home, was allowed to be taken home.

The pothole over which the car passed just before the accident was filled by street department workers shortly after the mishap.

Nu Zeta plans spring projects

Plans for Founders Day observance set for April 26, at Shooter's Steak House, was the topic of discussion of Nu Zeta Chapter, Beta Sigma Phi Sorority, Tuesday evening.

Mrs. Betty Thomas, 2817 Madison Ave., was hostess of the meeting and Mrs. Carol Moerlein, president, conducted the session.

Arrangements were also completed for a rummage sale on May 6 at MCM Sales, 1316 Madison Ave., to begin at 9 a.m.

The hostess served a dessert course to those named and to Rhonda Dooley, Amy Brasfield, Cheryl Barton, Marcie Johnson, Debbie Brown, Mrs. Brown of Collinsville will host the next meeting.

Honor Circle hears Mrs. Pearl Campbell

Mrs. Pearl F. Campbell presented an Easter lesson for members of Honor Circle of Niedringhaus United Methodist Church, Wednesday.

She discussed an article by Sherlock Gooderham, a secret service director of Ertica Philathea News and she reviewed Easter legends taken from the magazine Golden Thoughts.

Circle members met at the church in the morning for a quilting session and were served a noon dessert course by Mrs. Mildred Cundiff.

The afternoon meeting was conducted by Mrs. Lucy Weaver, chairman, who read a poem entitled, "Bless My Glowing." Mrs. Weaver also gave a report on the executive meeting of the United Methodist Women and said 40 sick calls were made during the previous month.

Others present were Eva Evans, Beulah Fox, Edith Ethernott, Augusta Pender, Winifred Reimers.

'33 GC graduates set June reunion

Plans for the 45th reunion of the 1933 January and June graduating classes at Granite City High School are progressing, and information concerning reservations now is available from Dolores Allen, at 876-5876.

The reunion will be celebrated at a dinner-dance on June 3 at the Sunset Hills Country Club, Mrs. Allen said. Classmates serving on the planning committee also include E. David Whitsell, Edward Goddin, Ruth Thornberry, Ray and Elsie Henley, Pauline Aufferdeide and Jerry Walters.

Postpone pleas on federal charges

The scheduled arraignment of three former Madison policemen on federal racketeering and perjury charges was postponed yesterday until 11 a.m. Monday in Springfield.

Madison Alderman Ronald Grzywacz, 41, Edward Golan, 36, and suspended police sergeant Richard Krieschok went to the federal building in Springfield yesterday morning with their attorney from Norman London & Associates, St. Louis.

The attorney requested a postponement, since the firm had just entered the case and was not prepared to enter a plea. Only the attorney will be required to appear Monday.

Grzywacz said this morning that the federal authorities "treated us as gentlemen," during yesterday's proceedings.

The three were named Friday in a seven-page, four-count federal grand jury indictment which alleged they conspired to accept payments from taverns and businesses to allow prostitution, late closings and other illegal activities.

Each is named in a perjury count for allegedly denying the activities when they appeared before the grand jury last fall.

They are each free on a \$20,000 recognizance bond, which is to be reconsidered by the court after they enter their pleas.

There has been speculation that the grand jury may issue more indictments against other persons in the county during its probe into alleged governmental corruption. The grand jury is expected to meet again in about three weeks.

Brownies visit Planetarium

Brownie Troop 281, sponsored by St. Margaret Mary School, visited the St. Louis planetarium and viewed many exhibits. They also saw a show entitled, "The Universe Game" followed by a picnic lunch before returning home.

Those attending were Monica and Nicole Bautsch, Nina Beyer, Cynthia Brown, Vanessa Chomko, Jennifer and Stephanie Cruse, Tracy Cruse, Mary Flanagan, Kara Keydor, Michelle Matlowe, Amy Mason, Stephanie Petras, Lori Wyatt and leaders, Marilyn Beyer, Sue Bausch, Kathy Cruse and Mary Chomko.

Guests present were Jackie Beyer, Kris Bautsch, Jessica Chomko, Jean and Larry Petras, Jeanine Kosyodor, Bonnie, Eddie and Alan Hoff, Ed Brown, Frances, Eric and Jason Brown.

April meeting of Rollettes Club

The Rollettes Club were entertained Monday night in the home of Mrs. Carol Kalk-Sommer, 2845 Ralph St., at a buffet supper and social evening.

Those winning prizes in the games were Connie Trusley, Diana Wilson and Judy Gregory.

Others present were Mesdames Edith Wofford, Helen Warfield, Jeanette Wilson, Mary Ann Buttons, Betty Brooks, Joyce Waller, June Bernau and Toni Short. Mrs. Warfield will host the next meeting in her home in St. Jacob.

3 unopposed in Venice school district balloting

JOHN BOUSHARD

GEORGE WADE

GERALD CICIO

John C. Boushard, 37, elected to the Venice Board of Education three years ago, is seeking a new three-year board term without opposition on Saturday.

A veteran Granite City Steel employee and member of United Steelworkers Local 30, he is a lifelong Venice resident and has been active in the First Baptist Church of Venice.

He resides at 433 Lincoln Ave. He is married, with daughters aged 17, 13 and 11 and sons aged seven and five.

Balloting will take place in Venice Community Unit District Three on Saturday between noon and 7 p.m.

George W. Wade Jr., 33, of 431 Lincoln Ave., Venice, has been serving on the Venice Board of Education since being appointed to fill a board vacancy June 15, 1977. He is unopposed Saturday for election to an unexpired term of one year.

A Navy veteran employed for five years in the Granite City Steel security division, he was born in Pulaski, Ill., and resided in Madison for six years before moving to Venice two years ago.

A graduate of Lincoln High School in East St. Louis, Wade completed his Navy service in August 1967. He and his wife have a daughter, 12, and a son, eight years old.

Gerald Cicio, 32, of 623 Broadway, is unopposed for a three-year Venice School Board term in Saturday's election. He is married and has a son.

A member of Sheet Metal Workers Local 36, Cicio was elected a year ago to a one-year unexpired term on the board.

His memberships include the Venice fire department, St. Mark's Church and the Booster Club. A lifelong Venice resident, he is a graduate of Venice High School.

There are two polling places at which there will be voting for members of the Venice District Three board.

22 polling places in school voting

Voters who go to the polls Saturday to elect Board of Education members in their respective Quad-City area school districts will cast ballots in a varying number of precincts, depending upon the district in which they live.

Residents of Granite City School District 9 who will elect two School Board members will ballot in 16 precincts, all of them located in school buildings. Generally, voters will cast their ballots at polling places located in the elementary school attended by children of the neighborhood.

In Madison School District 12, voters will ballot in four precinct polling locations. Venice School District 3 will have two polling places.

In all elections Saturday, polling places will open at noon and close at 7 p.m. Results of the voting will be reported to the school administration offices of the districts in which the votes are cast.

Granite City district voters will elect two board members to full three-year terms; Madison will elect two board members to full terms and one member to a one-year term, and Venice district voters will choose two members to full terms and one member to a one-year term.

Voters of Belleville Area College district, which includes all three Quad-City school districts, also will elect three board members. Those casting ballots in either the Granite City, Madison or Venice districts will ballot at the same time, in their regular district precincts, on candidates for the BAC board seats.

Polling places in the Granite City district will be located as follows:

Pct. One, McKinley School, 2nd and Iowa; Pct. Two, Lake School, 2001 E. 23rd; Pct. Three, Washington School, 2600 W. 20th; Pct. Four, Logan School, 2400 W. 25th; Pct. Five,

Emerson School, 20th and Benton; Pct. Six, Webster School, 25th and Kate; Pct. Seven, Marshall School, 26th and State; Pct. Eight, Niedringhaus School, 29th and State; Pct. Nine, Froland School, 2940 Johnson Road; Pct. Ten, Maryville School, 4601 Maryville.

Pct. 11, Wilson School, 2400 Wilson; Pct. 12, Nameoki School, 1620 Pontoon; Pct. 13, Parkview School, 3200 Maryville; Pct. 14, Mitchell School, 316 Chain of Rocks; Pct. 15, Stallings School, 4401 Highway 162; Pct. 16, Johnson School, 4235 Old Alton Road.

In Madison School District 12, polling places will include:

Pct. One, Madison Junior High School, Third and Alton, for voters of an area bounded by a line beginning at the southern boundary of the district and the center line of State Street, north to a point in the center line of the alley between Fifth and Sixth Streets, eastward and north to the north limits, south along the east boundary to the southern limits, then westward to State Street.

Pct. Two, Harris School, Seventh and Alton, Madison, for voters in the area bounded by an area beginning at the center line of State Street intersecting at a point in the center of the alley between Fifth and Sixth Streets, north to the north limits of the district, then eastward and south along the district boundary, and westward down the alley between Fifth and Sixth Street to the point of beginning.

Pct. Three, Blair School, College and Merceda Streets, for voters in an area bounded by a point in the center line of State Street at the southern boundary of the district, north along State to the northern boundary of the district, westward to a line in the center of Weaver Street, then south to the center line of Weaver, extended through

Klein Street to the southern boundary, then eastward to State Street.

Pct. Four, Dunbar School, Third and Jackson, for voters living in the area bounded by a line beginning on a center line of Klein Street at the southernmost district boundary, north along Klein and the centerline of Weaver to the northernmost boundary of the district, westward and south along the district boundary, then eastward along the southern boundary to the center line of Klein Street.

In Venice School District 3, voters will ballot in two precincts. These include:

Pct. One, Venice High School gymnasium, 740 Broadway, Venice, for all that part of the district lying within the corporate limits of the city of Venice.

Pct. Two, Eagle Park Acres Improvement Association building, 100 Hill St., Madison, for all that part of the district which is not located within the city of Venice.

The BAC district covers Madison, St. Clair, Washington, Monroe, Bond, Montgomery, Perry and Randolph Counties. They contain a total of 101 precinct polling locations, 22 of which are located in the three Quad-City school districts.

CHANGE IN VETERANS' COUNSELING SCHEDULE

The Illinois Department of Veterans Affairs, 215 Plaza St., Alton, will be closed Monday, April 10, and Tuesday, April 11, to permit attendance at a Central Division seminar in Quincy.

"There will be no itinerant service to Granite City April 11, but I will be there April 18 at the City Hall. The Alton office will be open Wednesday, April 12, at 8:30 a.m." F. L. Cinar, Madison County service officer, reports.

Elkettes install

The 23rd anniversary of the Elkettes Club and the installation of newly elected officers were observed in ceremonies conducted Tuesday night at the Elks Lodge, under the direction of the past presidents.

Mrs. Marian Willard, the 19th president of the club, served as installing officer.

Those taking the oath of office include Mrs. Phyllis Grimm, president; Mrs. Helen Schmitt, vice-president; Mrs. Virginia Johnson, treasurer; Mrs. Margaret Rush, recording secretary; Mrs. Shirley Cunningham, membership secretary; Mrs. Marge Hilker, chaplain; Mrs. Kathryn Pomeroy, corresponding secretary; and Mrs. Vesta Campbell, guard. Trustees are Mrs. Helen Todoroff, Mrs. Bess Weiss and Mrs. Dean Graf, the retiring president.

Organ music was furnished during the cocktail hour by Mrs. Carolyn Belling. Mrs. Todoroff and Mrs. Edith Ryan served as hostesses for the cocktail hour and Mrs. Todoroff provided the table decorations. Mrs. Eupie Tarris was chairman of the buffet dinner, attended by 125 members.

Mrs. Graf, the immediate past president, spoke and extended appreciation to the retiring officers and members for their cooperation throughout the year. She was presented with a gift on behalf of the club by Mrs. Willard. Each new officer received a long stem pink and purple carnation tied with purple ribbons, in keeping with the club's colors.

Mrs. Grimm announced reservation letters for the mother-daughter banquet, set for May 2, will be mailed this week.

Following the installation entertainment was provided by Mrs. Wanda Klein at the organ.

Shirley LeMaster chapter leader

The 11th anniversary and coronation celebration of TOPS III, 645 (Take Off Pounds Sensibly) was held at the Metro East Sanitary District hall, 1801 Madison Ave.

Leader Shirley LeMaster opened the meeting with the pledge to the flag followed by a sing-a-long led by Glodene Abernathy.

Contest winners honored included Batha Ely who received a ceramic compote from Susie Cox, and TOP alumnus Glodene Abernathy and Clara Nolen. Division Three winner was Susie Cox and Division Four was Linda Mathis.

Linda Mathis was also named best loser in 1977 and chapter queen. Donna Burke graduated to KOPS (Keep Off Pounds Sensibly) in 1977.

New officers installed during the event were Mrs. LeMaster, leader; Joan Mase, co-leader; Flora Walker, secretary; Helen Johnson, treasurer; Batha Ely, weight recorder and Derris Masters, assistant.

Charm awards were presented to the honorees and a film of the previous coronation was shown.

Entertainment was presented by Tammy Thomas and Andrea Mase.

Mrs. LeMaster announced the group will meet from 6 to 8 p.m. each Monday at the Metro East hall.

MERCHANT ASSOCIATION ELECTS 1978 OFFICERS

George R. Bates, vice-president, Carson Pirie Scott & Co., Chicago, was elected to a second term yesterday as chairman of the board of the Illinois Retail Merchants Association. The election was held in Springfield, in conjunction with IRMA's annual meeting.

Other officers re-elected were: vice-chairman, David O. Webb, president of Robson's Goldblatt Bros., Chicago; treasurer, David Keller, vice-president and treasurer of Wieboldt Stores, Chicago; IRMA president, Hugh E. Muncy; and assistant secretary-treasurer, Margaret Dowd.

Flowering trees ready Saturday

Persons having ordered flowering crabapple trees through the Women's Division of the Tri-Cities Area Chamber of Commerce may pick up the trees between 9 a.m. and 1 p.m. Saturday at Granite Shell Metal, 2500 Missouri Ave., or call the Chamber office, at 876-6400, to make other arrangements. Only 50 remain to be sold at \$5 each from the 150 pink and white flowering trees delivered here Wednesday. Mrs. Meyer, project chairman, said.

Venice posts town budget of \$217,021

A new 1978-79 budget of \$217,021 has been posted for public inspection by Venice Township, including projected operating expenses of \$112,071 in the town fund.

The budget will be subject to approval by the electors in the annual town meeting at the Venice City Hall at 2 p.m. Tuesday, April 11.

In addition to the town fund, the budget includes \$74,450 in the general assistance fund, \$29,000 for the municipal retirement fund and \$1,500 for contingencies.

The new budget is an increase of \$1,300 over the 1977-78 budget of \$205,721 approved a year ago. Most of the increase in the municipal retirement fund which is \$9,650 higher than the \$19,950 budget for the 1977-78 year.

This year's appropriation of \$112,071 in the town fund is an increase of only \$850 over last year's \$111,221. The new budget for general assistance purposes is \$100 less than the budget of \$74,450 last year.

The new town fund appropriation includes \$70,740 in salaries, compared with \$61,360 a year ago. The administrative salary items include \$5,940 in salary for the township supervisor, \$6,000 for the town clerk, \$10,500 as salary for the town assessor and \$5,000 for the town collector.

Other salary items are \$6,000 for the township highway commissioner, \$6,000 in fees for the township trustees, \$7,000 for the supervisor of general assistance, \$1,000 for the treasurer of the road district, \$200 for the health officer and \$24,000 for additional personnel. The budget includes \$16,500 for hospital insurance, \$2,000 for general insurance and \$1,350 for telephone.

Other projected expenditures in the town fund budget are \$3,200 for utilities, \$460 for alarm system fees, \$2,700 for travel expenses, \$1,000 for janitor services, \$3,900 in legal expenses, \$4,000 for official bond premium, \$2,400 for office supplies, \$3,000 for convention expenses and \$300 for miscellaneous expenses.

The general assistance fund budget sets up \$14,900 for salaries exclusive of officials which is included in a general administration appropriation of \$17,380.

For home relief purposes the budget includes \$12,000 for medical care, \$650 for telephone and \$2,500 for utilities.

A total of \$27,000 is budgeted for food orders, \$4,500 for rental payments and \$500 burial expense.

Other items include \$7,000 for hospital payments, \$1,000 for convalescent homes and \$500 for ambulance service.

Bakalis cites state revenue improvement

Illinois Comptroller Michael J. Bakalis reports that the state's fiscal condition has continued to improve in spite of recent extreme weather conditions, the extended coal strike and "poor state performance in acquisition of federal funds."

Bakalis said, "The combined funds available balance — the most consistent indicator of the state's bill-paying ability — is \$85 million above the balance at the beginning of the fiscal year and \$55 million above the year earlier level."

"These increases have been brought about by the \$51 million general funds surplus experienced during the first eight months of the current fiscal year, plus larger reserves in other funds which could be transferred into the general funds."

"This represents a dramatic fiscal turn-around when compared to last year's \$29 million deficit for the same period, and the \$244 million deficit for the same period two years ago."

While revenues from state sources grew by \$258 million, general funds receipts from federal sources for the first eight months of fiscal 1978 were \$1 million higher than comparable receipts for fiscal 1977.

SPAGHETTI DINNER

The annual spaghetti and meatball dinner, sponsored by St. Mark Church, 601 Lincoln Ave., Venice, will be held Sunday from noon until 6 p.m. Carryouts are available. Dessert and beverage are included in the \$3 adult ticket or \$1.50 for children under 12.

A scholarship of \$500 per year is being offered to students who plan to major in some phase of construction by the National Association of Women in Construction, Greater Belleville Chapter 215.

To be eligible, a student must be enrolled or plan to enroll full time; must have and maintain a "B" average; and be enrolled in

a degree program in some phase of construction, or in trade courses leading to employment in the construction industry, or in a construction management technology program.

The scholarship may be used only for tuition, fees or books. Funds will be distributed through the financial aids

department of the community college or university where the student is enrolled.

Deadline for applications is May 31. Application forms may be obtained from Kitti Taylor Lewis, c/o Biebel Roofing Company, Inc., P.O. Box 654, Belleville. The phone number is 233-2424.

Admissions officials at Southern Illinois University at Carbondale will roll out the welcome mat for prospective students Saturday, April 8, during High School Guest Day.

The annual event, sponsored by the SIUC Office of Admissions and Records, is aimed at acquainting interested high school students with the

university's admissions policies and its academic and extracurricular offerings and facilities.

The special program for students and their parents will include campus tours, meetings with representatives of SIUC academic units and admissions office, and talks on student work and financial assistance

opportunities, counseling, placement services and housing policies.

Eligible students will be able to apply for on-the-spot admissions. Registration will begin at 9 a.m. in the Student Center.

Information is available from the Office of Admissions and Records, toll free (800) 642-3531.

Sentencing set May 25 in 3 U.S. convictions

Edward D. Hegarty, special agent-in-charge of the Springfield office of the FBI, has announced that a jury in the U.S. District Court for the Southern District of Illinois in Alton, returned guilty verdicts against Robert Houston Eaves, 41, Alton, Mo.; Forrest Alan

Parker, 46, St. Louis, and Joseph Charles Crimi, 55, Granite City, Illinois. Crimi was convicted of interstate transportation of stolen property. Crimi, along with Eaves and Parker, also was convicted of conspiracy to transport stolen property in

interstate commerce.

On the first date of trial, three other defendants in the case, Norman "Boscoe" Owens, 47, St. Charles, Mo.; Raymond Jack Bryan, 49, and Sharon Eaves Bryan, 26, Cahokia, pleaded guilty to a similar conspiracy charge and Raymond Bryan also pleaded guilty to a charge of interstate transportation of stolen property.

Investigation in the case began in January, 1976, and

involved the theft and subsequent transportation and sale of Tiffany lampshades and glassware stolen in October, 1975, from the residence of Jerome and Kathryn Sinalo in Madison, Wis., and jade statues and other antiques burglarized in December, 1974, from the residence of Mrs. Ellen Grob of St. Louis. The items stolen were valued at

approximately \$400,000.

Hegarty expressed his appreciation for the high degree of cooperation received by the FBI from the St. Louis Police Department Intelligence Unit during the course of the investigation.

Sentencing is set for May 25.

Special engineering work on overpass job approved

A request by the city engineering department that Granite City retain the firm of Reitz & Jens, consulting engineers of Clayton, Mo. to assist in special planning of the North Granite City and Briarcliff drainage program

was approved by City Council members Tuesday night. The council authorized City Engineer Monroe Brewster to hire the firm on a fee basis for work not to exceed \$20,000 in

accumulated fees. Brewster said he had checked several engineering firms and the Reitz & Jens appeared to be the lowest in cost while still qualified to do the special work that needs to be done.

Brewster had informed the council earlier that the planning of the \$800,000 drainage project, to be financed with Community Development funds, will require special expertise in the hydraulic and soil investigation area. He said Reitz & Jens are among the few engineers specializing in this field.

Brewster also told the council that he met last week with an attorney representing Archer Daniels Midland to discuss problems in the ADM sewer line and lift station which have caused sewage backups in the Steelcrest area.

Brewster said the attorney indicated the company may agree to install a flow meter and a station warning light at the ADM plant to detect immediately the amount of sewage flowing through the line or the development of any difficulty in the pumps at the lift station.

Council members a week ago threatened to cut off the sewer from the ADM plant at the point where it joins the Granite City sewer system unless steps are taken to alleviate problems with the line.

Brewster told the aldermen that the ADM representative assured him he would take up the matter with company officials and discuss the matter again later.

Some aldermen indicated dissatisfaction with the company's efforts to resolve the sewer problems. Alderman Sam Whitmer commented that "We've been going through this for three years."

In other actions, the council: —Accepted for payment a bill of \$23,027 to M. H. Wolfe Co. as the first payment on construction of the new Granite City police station at 23rd Street and Madison Avenue.

—Approved payment of a \$4,835 bill to Randall Robertson, Granite City attorney, for legal services in representing the city at Illinois Commerce Commission hearings on a request by the city for ICC grant funds to be used in building the new downtown overpass.

—Voted to purchase a Rancero pickup truck from B. E. Hohl & Co. on a low bid of \$5,356, but decided to call new bids to furnish a dump truck to the city street department.

—Approved a motion by Alderman Glen Sprankle to put a \$20,000 item in the new budget, effective May 1, for a summer youth employment program.

—Approved a motion by Alderman Fred "Pat" Schuman to pay mileage fees of 10 cents per mile to employees of the Air Pollution Control agency who used their own cars for inspection or other work, the fees to be paid until the city acquires a car for the department.

Mrs. Joan Lascoe, 66, dies

Mrs. Joan E. (LaVelle) Lascoe, 66, of Eagle Point Bay, Lake Egypt, Ill., formerly of Mitchell, died at 5 p.m. Tuesday at Marion (Ill.) Hospital. She was born in St. Louis and resided in Mitchell 60 years prior to moving to her present address. While residing in this area, Mrs. Lascoe was a member of St. Elizabeth Catholic Church.

Survivors include her husband, Wesley Lascoe; one daughter, Mrs. Joan Hagen of Carbondale, Ill.; a son, Jim Walker of Rosewood Heights; a brother, James LaVelle of Mitchell; one sister, Mrs. Lee Langreder of Roxana; and seven grandchildren.

Funeral services will be held at 9:30 a.m. Friday at St. Bernard Catholic Church, Wood River, with Father Patrick Wright officiating. Burial will be in Roselawn Memory Gardens, Bethalto.

W. E. SUMPTERS NAME DAUGHTER TRISHA KAY Mr. and Mrs. Willard E. (Trudy) Sumpter, 28 Thomas Road, are announcing the birth of a daughter on Tuesday, April 4, at Oliver C. Anderson Hospital, Maryville. The new arrival has been named Trisha Kay and she weighed seven pounds, four ounces. She has a 9-year-old brother, Willie at home and a half sister Debra, of Houston, Tex. Maternal grandparents are Mr. and Mrs. Glen Sowell of Sunnydel Acres, and the paternal grandmother, Mrs. Rosie Faulk, resides in Bixby, Mo.

District Garden Clubs elect 1978-79 officers

Robert Dingwall, chief horticulturist of the Missouri Botanical Gardens, was the featured speaker at the 26th annual meeting of District V Garden Clubs of Illinois, Inc., held last week at Central Christian Church. He selected "Landscaping with Trees, Shrubs and Flowers" as his topic. He covered many phases, including winter damage expected as a result of the past winter, selecting plants that can withstand hard winters, careful planning for hardiness, disease

resistance, color and height of plants. The guest speaker suggested homeowners select some plants to attract birds for a winter effect, with consideration given to color of bark and shape of trees, without leaves. Garden Study Club of Granite City was the host club and Mrs. C. E. Eads, president, welcomed 118 members and guests representing 15 garden clubs in the district. Mrs. Finis English, district director for two years, presided over the meeting and election of new officers. Those elected and installed at the meeting included Mrs. Arthur Buesch, directors; Mrs. William Lindsey, vice chairman; Mrs. Kenneth Holbert, corresponding secretary. Mrs. Harold Wolfe served as installing officer and used the women of the Bible as a symbol as she conducted the ceremony for each officer. Mrs. Arthur Buesch held a memorial service for deceased members of District V, which included the most recent death of Mrs. Ruth Fischer, a past

director. The District is placing her name in the National Council Book of Remembrances and all past directors sent a donation to the cancer fund in her memory. It was noted. Mrs. English submitted a report of the activities during the year and roll call was answered by each club president with her annual review. Honors were accorded to the newest organized club, the Green Oaks Club of Macoupin County, for their accomplishments in 1977. The year books and history books for 1977-78 were judged by Mrs. William Klotz and her committee. Blue ribbons were awarded to all the clubs for their year books, and blue ribbons were presented to the nine clubs having turned in history books: Cahokia, Cloverview, Collinsville, Fairview Heights, Holiday Shores, Lebanon, Mascoutah, St. Clair County and Shiloh Valley Garden Clubs. Awards given for artistic arrangements were "Arrival of Spring" — Mascoutah, blue ribbon; St. Clair County, red; Fairview Heights, yellow and Shiloh Valley, white. "Spring Greenery" — St. Clair County, red ribbon; Winstanley, yellow and Fairview Heights, white. In the horticulture division the following awards were given: June Branding, one red; Mrs. J. Jenkins, one red; Doris Hertenstein, one blue; Carolyn Laitman, one blue; Betty Wieland, one blue; Dorothy McMullen, one blue and two yellow; Mrs. Kenneth Brokaw, two blue, two yellow and one white; Lucille Ethridge, one blue; Clara Winter, one blue and one red; Mickey Lorentz, one blue and one red; Carol Holbert, two red; Mrs. Roy Hecht, one red; Gladys Browney, one blue; Norma Crenshaw, one blue and one red; Mrs. Fremont Suss, one blue; Lucella Klotz, three blue; Gerry Thorp, one yellow and Ruth Buesch, one red and one yellow. Forthcoming events announced were, organizational meeting at Fischer's Restaurant, April 13; District V workshop, May 11, at Moose Hall in Edwardsville with Holiday Shores as hostess club; annual convention in Chicago, April 24 and 25.

Baby shower held in Venice

Mrs. Tina Tooley was honored with a baby shower during the weekend given by her sister-in-law, Mrs. Susan Judd, at her home, 714 Brown St., Venice. A "Babyland" centerpiece, surrounded with small stuffed dolls, rattles and similar items, was the focal point on the refreshment table. The hostess made a decorated cake, shaped to resemble a baby bed complete with a tiny doll drinking from a miniature bottle and partially covered

with a blanket of icing. Games were played and prizes were awarded to all. After the honors opened her gifts, refreshments were served. Among the guests were Mrs. Esther DiMarco, Christine Judd, Mrs. Florence Schober, Mrs. Joyce Hayden, Mrs. Dorothy Sherly, Marie Moore and Mrs. Nina Bowen. Mrs. Tooley is the former Miss Tina Judd.

MARY E. GNOJEWSKI, 17, of 1610 Fifth St., Madison, has been awarded a scholarship to St. Louis University based on her academic achievements. She is a daughter of Mr. and Mrs. Leonard Gnojewski, and will graduate in May from Assumption High School.

2nd grader tops Wilson PTA project

Jim Stout, son of Mr. and Mrs. James Stout, 2 Cambridge Court, has been declared the top salesman in the annual candy sales project, sponsored by Wilson School Parent-Teacher Association.

Mrs. Barbara Moniz, project chairman, announced the winner at a meeting of the Wilson PTA executive board Tuesday evening at the school. The second grade pupil sold a total of \$501 worth of candy to take the top award — a \$75 U.S. Savings Bond.

At the executive session, Mrs. Moniz said the gross sales for the Wilson PTA candy project totaled \$16,344, which tops all other PTA sponsored candy sales in the local district.

Proceeds from the event will be used to finance various projects of benefit to the Wilson students.

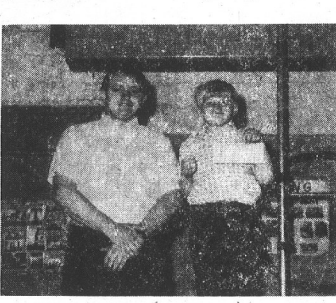

Mrs. Linda McGee, PTA president, conducted the meeting and congratulated all those who participated in the fund raising program.

She also reported plans for the annual spring carnival at the school, which is scheduled Friday, May 19.

Carnival tickets will go on sale before school starts on May 12 and May 18, with children purchasing tickets at advance sale then eligible for a "Big Bird" contest at the carnival.

Mrs. Moniz also announced the names of children who sold large quantities of candy in the recent project.

Selling \$200 worth or more were David Ishum, Chris Weiss, Elizabeth Judi, Stephen Willard, Sheri, Chandler,

58'ers prepare for county wide contest

The 58'ers 4-H Club met last week at the home of Mrs. Joanna Spencer, leader, with 17 members and 5 guests in attendance. Roll call was answered with a favorite outdoor sport and birthday greetings were extended to Juli Scannell.

Guests present included Mrs. Kathy Strum, Lisa Strum, Robin Byrd, Cindy Todaro and Karen Hall. Pledges were led by Liz Spahn and Karen Spencer. Recreation was conducted by Penny Strum and Tracie Rogers and they were assisted by Felicia Robertson in making an Easter Egg picnic.

Refreshments of pretzels, corn curls and fruit beverage were served by Lisa and Juli Scannell.

Ellen Range, president, announced a "Share The Fun" skit practice on Saturday, April 8, at Mrs. Spencer's at the Food Demonstration contest in Edwardsville. Mrs. Spencer announced many changes and advised members to keep the April newsletter for their project books for future reference.

Project talks were given by Julie Malherbe on "Good Manners," Kelly Ault, "Food Customs in Mexico," Gloria Milligan gave a book report on Louisa Alcott and Tracie Rogers reported on the history and uses of leathercraft.

Food demonstrations, which will be given at the county contest at Edwardsville on Saturday, April 8, were presented by Nancy Modica "Blueberry Muffins," Amy Knollman "Peach Crisp," Penny Strum "Kringles," Gina Spahn "Lazy Cake," Jean Grahman "Cream Pie with Crumb Crust" and Karen Spencer "Corny Beef Burger." Other demonstrators included Kathy Zinn "Garlic Bread" and Lisa Scannell "Techniques in Painting." Members present in addition to those previously mentioned were Maria Ault and Cindy Brown. The next meeting will be on Thursday, April 6, at 7 p.m. at St. John's United Church of Christ.

75th anniversary of Bethel AME Church

Bethel African Methodist Episcopal Church, 1035 Market St., Venice, is hosting special services this week to mark the 75th anniversary of the church featuring ministers from area churches as guest speakers.

The church was organized in 1903, by the Rev. Green Price, 612 West Third St., with twelve members, and was built on the selected site of four lots.

In 1952 the Rev. George E. Young, pastor, started a building fund drive and a new location was selected by the congregation at the northwest corner of Market and Merceda streets.

The new structure was completed in December 1963 under the leadership of the Rev. Fred H. Oliver and the membership had increased by that time to 200 persons.

Rev. Oliver died in 1971 and the Rev. Ellis B. Seals was appointed to pastor in 1970, serving the church for six years.

The next minister was the Rev. Walter L. Walters and during his pastorate of one year, the church mortgage was paid in full in January 1977.

Mrs. Gloria Flowers is the only living charter member.

Frohhardt PTA plans events

Mrs. Phyllis Bills, president of Frohardt School PTA, announced the school skating party is set for Monday, April 10, at the Stardust Rink, and the school picnic will be held May 10, at Wilson Park, at a monthly meeting held at the school.

The meeting was opened by Brownie Troop 918 with the posting of the colors, under the leadership of Mrs. Linda Auld and Mrs. Linda Pickett, Ron Asbeck led the PTA prayer.

L. A. V. e. n. e. H. a. n. n. o. n. d. presented a slate of officers to be elected at the next meeting. An opening jogging program for parents of Frohardt students is being conducted after school on Tuesday, Thursday and

Theme for the anniversary celebrations is "Acting On Faith In A Crisis" according to the Rev. Sammy L. Hooks, the present pastor, and Ola L. Jones, chairman of the festivities.

Initial anniversary services opened at 7:30 p.m. Wednesday with the Rev. Ivan J. Johnson, and his congregation from the Shiloh AME Church, East St. Louis, as special guests.

Tonight the Rev. J. J. Jackson, pastor of Mount Nebo Baptist Church will be the featured speaker and the all male choir from Mount Nebo present the musical segment.

On Friday night the Rev. Henry L. Allen, minister of the New Salem Baptist Church, Venice, was speaker, accompanied by members of his congregation.

The final observance will be held at 3 p.m. Sunday with the Rev. John Q. Owens of St. Luke AME Church, East St. Louis, in charge of the program.

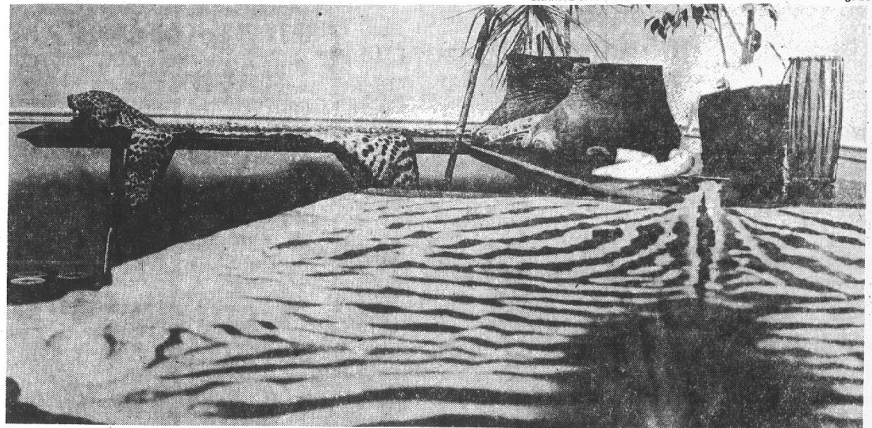

A mortgage burning ceremony is planned for 3 p.m. Sunday, April 16, and Bishop Hubert Nelson Robinson, the present bishop of the 4th Episcopal District, will attend. Rev. Hooks added.

Friday, according to Miss Susan Smith, physical education instructor.

The charter from Pack 2 was presented to the PTA by James Colp.

Entertainment for the evening was presented by all the Girl Scout and Boy Scout Troops, sponsored by the PTA. They displayed skills in scouting, camping, dancing, singing and provided an exhibit of hand crafted items.

Refreshments were served by the second grade room mothers and chairmen Mrs. Jackie Fuhrman and Jackie Nemeth. The room attendance prize went to Mrs. Nancy Rainers fourth grade.

SAFARI LAND EXHIBITION at the Colonial Bank of Granite City this week is seen Tuesday morning. A zebra skin in the foreground with the skin of a leopard in the left background. Among other items collected by St. Louisian Dana Brown on display are a pair of elephant feet, at right, a

pair of elephant tusks and a tail, a Nepalese musical drum, a spear and knife and a large Bengal tiger skin. The items will be on display through Saturday.

Guild hears Mrs. Padgett

The Evening Guild of St. John United Church of Christ met Monday evening at the church and heard a talk on the Downtown Neighborhood Restoration Society given by Mrs. Judy Padgett, former president of the organization.

She also spoke on the annual house tour, sponsored by the DNRS, which will be held on May 7, featuring five homes and a church in the downtown area.

President Thelma Sues opened the meeting and welcomed 22 members and three guests, including Mrs. Lida Theis, Mrs. Jean Rawlings and Nancy Boyer.

She also reported on delivering 34 floral arrangements to shut-ins during the Easter weekend.

Plans were announced that the Guild will serve the hospital auxiliary luncheon at the church on April 27. Also the annual mother and daughter banquet is set for May 15 at the church.

Members agreed to donate a blanket for the May Blanket Project and to contribute funds to purchase candelabra for the church.

The president said the May Fellowship meeting will be held on May 5 at St. Mary's Catholic Church in Madison, and students from the Signal Hill school district will present a program of skits at the May meeting of the guild.

Orville Taylor gave the devotion followed by silent prayer and the Least Cost collection led by Wilma Willard.

The fellowship committee, Dorothy Kirksey, Wilma Willard, Carmen Wagoner and Delores Zengin, served refreshments after the meeting.

Edgar Paddock is reelected

The Granite City Council of Senior Citizens met Monday at the Township Hall and reelected Edgar Paddock president.

Others elected to serve for the ensuing year are Mrs. Ruth Corbitt, vice-president and Mrs. Alycia Seipel, treasurer.

The president opened the meeting with the Lord's Prayer and pledged to the flag. Mrs. Villa Ridings read the secretary's report.

A discussion was held on a spaghetti supper to be held from 11 a.m. to 6 p.m. Sunday in the Township Hall. Tickets costing \$2 for adults and \$1 for children under the age of 12, may be purchased at the door on Sunday.

Paddock announced the driver training classes will be conducted at 9:30 a.m. at the Township Hall Wednesday and Thursday, April 19-20.

Secretaries hear Rosalie Stearn

Mrs. Rosalie Stearn was the guest speaker at the monthly meeting of the Granite City Association of Educational Secretaries, held at Frasier Junior High School.

A representative of Illinois Bell Telephone, Mrs. Stearn chose "Telephone Etiquette" as her topic.

Hostesses for the evening were Mrs. Dee Yates and Wanda Page.

They served refreshments to Lucille Caban, Phyllis Pickett, Irene Karlechuk, Catherine Wittvrongel, Arlene Haldeman, Irene Williams, Gladys Wallace, Betty Williams, Norma Roney, Nancy Rosales and Lee Guenther.

Volunteer program Sr. Citizens topic

The July 60's Club met at Grace Baptist Church, last week and heard Miss Janice Wells, as guest speaker.

She has a masters degree in sociology from Southern Illinois University, and spoke to the group on senior citizens involvement in the community.

After her talk a discussion was held on volunteer work senior citizens can participate in the area.

The non-denominational club meets every Wednesday at 10 a.m. at the Grace Baptist Church, 2800 Edwards St., for Bible study fellowship under the direction of Bill Turner. A potluck luncheon follows and all area senior citizens are invited to attend, according to the club officers.

Plans were announced for a talent show which will be conducted at 10 a.m. on April 12.

SPELLING BEE WINNERS in the Alton Deane contest at St. Matthew's School in Alton. From left, Kathy Luhasz, sixth grader, holding a trophy she won for first place, Paula Sudholt, eighth grade student, third place, and Christine Thouvenot, second grader, who took second place. All are students at St. Elizabeth School, Granite City. The Diocesan spelling bee will be at 1 p.m., May 6, at St. Elizabeth School.

Preceptor Beta Gamma elected

Mrs. May Elbing was elected president of Preceptor Beta Gamma Chapter of Beta Sigma Phi Sorority, at a meeting held in the home of Miss Ruth Stoyanoff, 1211 Iowa St., Madison.

Officers elected to serve with Mrs. Elbing for the 1978-79 year are Martha Jean Dyer, vice-president; Jane Laule, recording secretary; Imogene Forrest, corresponding secretary; Arlene Haldeman, treasurer; Evelyn Tolliver, extension officer; and Mrs. Elbing, Pat Tsigalaroff and Dolores Dorich, sorority city council representatives.

The program on "What Are The Reasons For The Existence and Growth of Your Community" was presented by Mrs. Haldeman and Mrs. Dyer.

Mrs. Tsigalaroff, the retiring president, presided at the meeting and reports were given by Mrs. Stoyanoff and Mrs. Elbing, secretary and treasurer respectively.

Mrs. Laule reported the service committee had received a letter from special services concerning the annual games for the handicapped.

An Easter basket of groceries, fruit and candy was delivered to the chapter's senior citizen adopted family, according to Mrs. Haldeman.

During the meeting Mrs. Tolliver, Mrs. Dorich, Betty Elbing and Miss Stoyanoff were appointed to the committee on decorations for Founder's Day. The event is scheduled for May 25th at Shooters Steak House on Highway 205, it was noted.

Refreshments were served by the hostess after the meeting.

National office for GC woman

Mrs. Catherine Wittverongel of Granite City, school secretary at Parkview School, has been elected to serve a two-year term as a director for the National Association of Educational Secretaries (NAES).

She is a past president of the Illinois Association of Educational Secretaries and the Granite City Educational Secretaries Association.

Mrs. Wittverongel will be installed at the national association's annual conference and institute, scheduled in July at Dearborn, Mich.

A member of the association for the past 11 years, the Granite City woman has served as a member of the Advisory Council and on the membership and nominating committees. The National Association of Educational Secretaries is the only national educational and professional association for educational office personnel in the United States.

Its current membership exceeds 7,000, Mrs. Wittverongel said.

The NAES recognizes the unique role of the educational office employees and the importance of the contribution she makes, the new national director explained.

This recognition is exemplified in the NAES Code of Ethics and in the association's four-point program of service, information, recognition and fellowship, Mrs. Wittverongel stated.

NATIONAL DIRECTOR. Mrs. Catherine Wittverongel, secretary at Parkview School, who has been elected to a two-year term as director of the National Association of Educational Secretaries (NAES). She will be installed in July at Dearborn, Mich.

Baptist youth compete in fund hike

The Royal Ambassadors from Calvary Baptist Church, 300 Washington Ave., participated in a 10-mile hike to Monks Mound, last week to aid the Home Missions project.

Carrying the Royal Ambassador banner, the boys started the hike accompanied by leaders Mark Cruse and Hugh Harrigan on foot and Chet Herring followed in his car.

The hike had originally been planned for the previous week but was cancelled due to inclement weather. Each participant was sponsored by a church member and they earned \$200 as a result of the outdoor event. Money will be collected in the foyer of the church Sunday, according to the sponsors, and will be donated to the Annie Armstrong offering which funds Home Missions through Baptist churches.

Enroute to their destination the group saw a large snapping turtle, dogs and cats and various size snakes and also toured Lakeside Airport. At the end of the hike they received refreshments and visited the museum and Indian hut.

Opposition for members of Madison school board

MRS. BILLIE BOSWORTH

ELVERS JOHNSON

RICHARD ZEISSET

One of three candidates for two Madison School Board posts Saturday, Mrs. Billie J. Bosworth resides at 1637 Fourth St.

Born in Granite City, she has been a resident of the Quad-City area for 44 years and a resident of the City of Madison for 33 years.

She attended Madison and Venice schools and has been married to Courtland W. Bosworth for 28 years. She is the mother of three children, all of whom attended Madison schools.

She is the grandmother of two, and one grandchild presently is attending Harris School. Mrs. Bosworth was formerly employed at St. Elizabeth Hospital in the maternity ward for five years; Trojan Cleaners, Madison, for two years; and Grimes Book Store, Madison, for six years.

She is an active member of the First Presbyterian Church, Madison, and the Madison Junior Service Club, and formerly was active and affiliated with the Cub Scouts, Boy Scouts, Khoury League and Madison High School Parents committee.

She comments, "I am running because my interest is children and making things better for them. Anyone serving on the school board should have the interest of the children first in his or her thoughts."

"I think our board should be seven individual, thinking people — all projecting their own ideas and working to unite these ideas for improvement of our school system."

"I think my entire background lends itself to understanding our schools as a parent, taxpayer and a person who believes in Madison. I will work for improvement of the school system."

Elvers P. "Billy" Johnson, 56, of 716 Jackson St., is a candidate Saturday for re-election to the Madison Community Unit School District 12 board.

Initially appointed to the board in July 1973 to fill a vacancy, Johnson was elected in April 1974 to a three-year term.

Defeated for re-election in April 1977, he was named to another board vacancy on Dec. 1, 1977.

A native of Madison, Johnson graduated from the public schools here in 1940. He retired in December 1972 from the Army Aviation Systems Command after serving as an inventory management specialist.

Johnson attended the School of Aeronautics in Chicago until entering the Army Air Corps in 1942, and remained in the service until 1945. He majored in business and accounting at Hubbard's Business College, St. Louis.

His memberships have included Henry Mitchell American Legion Post 799, and Jericho Masonic Lodge 120. He has served as chaplain of the 22nd Legion District, Fifth Division and Illinois Department, trustee of Mount Nebo Baptist Church, member of the Madison County Economic Opportunity Commission and a Madison playground-recreation commissioner.

He is married and the father of five daughters.

Richard Zeisset, 1429 Third St., is one of three seeking two three-year terms on the Madison Board of Education in Saturday's voting.

Appointed to the board June 8, 1976, to fill a vacancy, he was elected without opposition in April 1977 to the final year of an unexpired term.

A drafting and electronics teacher in the Granite City school district for the past 11 years, he is a member of the GCHS North faculty.

Zeisset has a bachelor degree from McKendree College and a master degree from Colorado State University. He and his wife, Judy, are the parents of three children.

He was elected by the school board March 2 to serve as its secretary and has been assembling school district procedural policies.

KRANZ WILL SPEAK AT PARKS COMMENCEMENT
Eugene F. Kranz, deputy director of flight operations at the Johnson Space Center, will be principal speaker at commencement exercises of Parks College of St. Louis University, Cahokia, Ill., at 10 a.m. Monday, April 10, in the Parks gymnasium. He is a 1954 graduate of Parks.

Fifty-four bachelor of science degrees will be conferred by the Rev. Edward J. Drummond, S.J., president of St. Louis University, including 42 in aeronautics, two in aerospace engineering, and 10 in transportation, travel and tourism. He also will confer 14 associate of science degrees, and 10 airframe and powerplant technician certificates will be awarded.

Land gift to Madison if used for public park

Willie Radman has offered to the city of Madison as a gift the property from 321 to 327 Madison Ave., Madison, providing the city use the land as a park, and that it be known as "Radman Park."

Casper S. Nighoghossian, city attorney, noted that the building has been subject of condemnation suit and that the court on March 2 entered an order in favor of the city and against Radman.

Mayor Mike Sasyk thanked Radman for the offer and the matter was turned over to the legal department for a check of the titles during a meeting of the City Council Tuesday night.

"After we look into this we will meet with you within the next week to ten days and discuss the property again. Thank you very much," Sasyk said.

In response to a question by Second Ward Alderman Frank Dutko, "Do we or do we not have a superintendent of streets?" Sasyk told the aldermen that for the time being Robert Robbins is acting superintendent of streets, as Elmer Smith has retired.

"I will write a letter from 'Smitty' making it official by next council meeting," Mayor Sasyk added.

Robbins has been with the city street department since August 1971. Retiring Superintendent Sasyk has worked for the city since June 1966.

The council approved the promotion of Frank Papa from probationary patrolman to the grade of patrolman as his one-year probationary period has ended.

Papa's work as a probationary policeman was commended by Chief of Police Donald L. Bridick and the Board of Fire and Police Commissioners.

According to the monthly crime comparison report submitted by Chief Bridick, there was a 37 percent reduction in crime during the month of March, compared to March 1977.

"I would like to ask the finance committee to begin thinking of the budget and talking to the employees," Sasyk said.

"At the next council meeting we should have a plan to fix our sidewalks that are being uprooted without cutting down any trees. This will be a four to five-year program and we will work in every ward doing the worst areas first," Sasyk said.

Quad-City couples celebrate anniversaries

MR. AND MRS. ATHA TAYLOR

Reception fetes Ed Shemwells

A reception was given at the City Temple Assembly of God Church, for Mr. and Mrs. Ed Shemwell, 2645 Washington Ave., in observance of their silver wedding anniversary.

Preceding the party the honoree's renewed their vows in a ceremony performed by the Rev. Eugene Cope, pastor of the church.

Guests were received by the guests of honor in the fellowship hall following the evening

church services.

Refreshments were served by Mrs. Marie Cope, Mrs. Joyce Fuller and Mrs. Bobbie Shemwell.

Many gifts were presented to the couple including a love offering from the church.

Mr. and Mrs. Shemwell have four children, Randy and Johnnie Shemwell, Mrs. Pam Rice and Miss Starlene Shemwell.

Harry Arnolds mark 25th year

Mr. and Mrs. Harry Arnold, 2100 Nameoki Road, will celebrate their 25th wedding anniversary at a reception on Saturday, April 15, at the Metro East-Sanitary District Hall, 1801 Madison Ave., hosted by their children.

Guests will be received from 2 to 4 p.m. by the guests of honor. Friends and neighbors are invited to attend, according to a family spokesman.

Mr. Arnold and his wife, the former Louise Brimer, were married on April 11, 1953, in St. Louis.

He has been employed as a pipefitter for 15 years at National Lead Co.

They are the parents of three children, Eddy Arnold and Mary Arnold both of Granite City, and Mrs. Susie Rosler of Mulberry Grove, Ill. They also have five grandchildren.

Reception Sunday to honor local couples

A reception will be given Sunday, April 9, from 2 to 4 p.m. at the YMCA to honor Mr. and Mrs. Elmer Parks, 3004 Ramona Drive, and Mr. and Mrs. Atha Taylor, 2720 Marshall Ave., on their golden wedding anniversaries.

The honorees were all married in April 1928, and have remained close friends since their weddings.

Mr. Taylor and his wife, the former Martha Pierce, were married on April 6, 1928, in Edwardsville. He retired in 1965 from Granite City Steel after 48 years employment. Mr. Taylor is a member of the Five-O Club a fraternal society in Granite City.

Mrs. Taylor is a member of the Gospel Chapel General Baptist Church and also belongs to the Granite City Unit, Madison County Homemakers Extension Association, and YMCA Senior Citizens and the

July 60's of Grace Baptist Church.

They have one daughter, Mrs. Leon (Athalene) Bugg, 2723 Warren Ave., and also have three grandchildren.

Mr. Parks and his wife, the former Helen Bean, were married in Edwardsville, on April 21, 1928.

Mr. Parks was employed for 44 years at Granite City Steel and retired in 1967.

They are the parents of a daughter, Mrs. Bob (Betty) Dorich, 2573 Lynch Ave. They have three grandchildren and seven great-grandchildren.

Mrs. Parks is a member of Miracle Tabernacle, and belongs to the Granite City Unit Homemakers, YMCA Senior Citizens, and July 60's of Grace Baptist Church.

Hosting the event are the honoree's sons-in-law and daughters, Mr. and Mrs. Dorich and Mr. and Mrs. Bugg.

MR. AND MRS. ELMER PARKS

MR. AND MRS. JOHN DAVIS of Lutesville, Mo., formerly of Madison. They were guests of honor at a reception, given by their children, in observance of their 50th wedding anniversary.

Golden anniversary of Mr., Mrs. John Davis

Mr. and Mrs. John Davis of Lutesville, Mo., formerly of Madison, celebrated their 50th wedding anniversary at a reception given at the Bank of Marble Hill Community Room, by their children.

They were married on March 3, 1928, in Bismarck, Mo.

Mr. Davis, born near Alton, Mo., is the son of the late Henry and Nancy Davis. Mrs. Davis is a daughter of the late Mr. and Mrs. L. D. Gosnell of Wellington, Colo. She was born in Winona, Mo.

They are the parents of six children, Mrs. Virgil (June) LeGarde, Mrs. George (Jolene) Hessler and Darrell Davis, all of Granite City, Ronald Davis of

Nokomis, Ill., and Mrs. Everett (Louise) Hughes and Mrs. August (Thelma) Pryor of Lutesville, Mo. They have 20 grandchildren and nine great-grandchildren. All were present but one granddaughter, who is in college at Eastern Illinois University at Charleston, Ill.

Mr. Davis retired in August 1968 from Swift and Co. in East St. Louis where he worked as a mechanic. Mrs. Davis retired in December 1974 from Carlye Dress Manufacturing Co. in St. Louis. They built a new home near Lutesville, and their children and grandchildren presented them with a riding lawn mower and many other gifts.

25TH ANNIVERSARY. Mr. and Mrs. Gene Shemwell, 46 Steelecrest Lane, who are observing their silver anniversary this week. She is the former Miss Audrey Tinsley.

Gene Shemwells mark 25 years

Mr. and Mrs. Gene Shemwell, 46 Steelecrest Lane, are celebrating the 25th year of their marriage this week.

The couple was married April 4, 1953, at the Madison County Courthouse in Edwardsville.

Mrs. Shemwell is the former Miss Audrey Tinsley. She is

employed in the housekeeping department at St. Elizabeth Hospital.

Shemwell works at Shasta Beverage Co. in Granite City.

They are the parents of a daughter, Mrs. Kandee Buckingham of Granite City, and Bryan Johnson of Granite City.

Special services at First Nazarene

The First Church of the Nazarene, 4701 Highway 111, will host special services beginning Tuesday, April 11 and continuing through Sunday, April 16, the Rev. William Roddy, host pastor announces.

Featured speaker will be the Rev. C. D. Holley, evangelist from Huntsville, Ala.

Upon entering the field of evangelism, Rev. Holley, originally of Mobile, Ala., had 22 years of pastoral ministry in Michigan, Illinois, Arizona, Nebraska and the last six and one half years in Huntsville.

While in Alabama a church and educational building was constructed under his leadership.

Rev. Holley received his education at Trevecca Nazarene College and Olivet Nazarene College. His revival ministry will be centered around Bible holiness preaching and Sunday school visitation. Each service will be highlighted

with a special Bible story for the children, Rev. Roddy added. Services will be conducted at 7:30 each evening and on Sunday at 10:30 a.m. and 7 p.m.

Shower honors Debbie Elmore

Miss Debbie Kay Elmore was guest of honor at a personal bridal shower given during the weekend at the Third Baptist Church, by members of the wedding party. Tina Robertson, Barbara Crane, Joyce Young and Jodi Alexander.

The wedding colors of blue and white were used for the decorations and a photograph of the engaged couple centered the gift table. On each side of the picture was a white lace umbrella and a lace ruffled bride doll accented with blue wedding bells.

Games were played and a buffet luncheon was served to Mrs. Delma Elmore, mother of the bride-to-be, and Mrs.

Marion Cavins, mother of the groom-elect, and to Mrs. Billie Young, Colleen Fitzgerald, Tami Herzing, Joyce Young, Lori and Kathy Penegress, Mary Beth Cavins, Delaine Page, Tina Robertson, Barb Crane, Peggy Piper, Giner Castleton, Norma McKee, Jodi Alexander, and Candy Belling.

Miss Elmore will be married to Army Private Timothy S. Cavins, on June 3, at the Third Baptist Church. Pvt. Cavins is presently stationed in Hawaii.

John 6:37 — "...and him that cometh to me I will in no wise cast out."

The world seems to be filled today with seekers. People, running to and fro, in a frenzy. The problem... no one seems sure of what it is they are seeking for.

May I remind you that we are God's creation; that we are and were created for the purpose of worshipping God. There is nothing on earth that will satisfy you for a long period of time. The reason? You are not worshipping God in spirit and in truth.

Hear the word of the Lord: "He that cometh to me I will in no wise cast out. One prayer, in sincerity, will bring peace that passes understanding to your soul."

Will you come to Him? Today?

Cynthia Reynolds and Randolph George wed

Miss Cynthia Ann Reynolds became the bride of Randolph William George in an evening ceremony solemnized at the Blessed Sacrament Church in Belleville, on Saturday, March 18.

The Rev. Carl E. Scherrer officiated at the double ring service at 7 o'clock.

Parents of the bride are Mr. and Mrs. William C. Reynolds, 23 South 97th St., Belleville. The groom is a son of Mrs. Melba George, Shirley, Ark., and the Rev. Bobby J. George, 2601 Cayuga St.

Attending the bride as matron of honor was Mrs. Timothy O. Lashley. Bridesmaids were Jeanne Marie Newton and Mrs. Paul Wilkerson, a cousin of the bride.

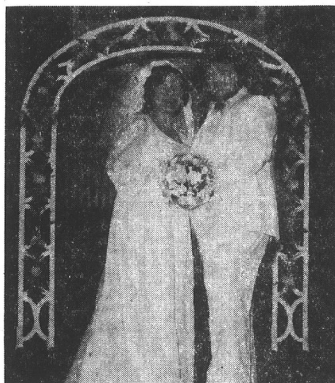

The groom chose his brother, Anthony Dale George, as best man. William Matthew Reynolds, a brother of the

bride, and Timothy A. Lashley, were groomsmen. Escorting the guests to their seats were Robert J. Reynolds, the bride's brother, and Paul E. Wilkerson.

Guests were entertained at a reception held after the ceremony at Panorama Lanes, Belleville. The rehearsal dinner was served at Fischer's Restaurant in Belleville.

The newly wed couple are residing in Belleville following a wedding trip to New Orleans. A graduate of the Academy of Notre Dame in Belleville, the former Miss Reynolds attended Belleville Area College and is employed as directory assistance operator at Illinois Bell Telephone Co., Belleville.

The groom is a graduate of Granite City High School South and is working as a salesman for LaRue's Auto Sales in Granite City.

MR. AND MRS. RODNEY C. FLOOD. They exchanged vows in an afternoon ceremony at City Temple Assembly of God Church. The bride is the former Miss Susan E. Owens, a daughter of Mr. and Mrs. William L. Owens, 4944 Redwood Lane.

Green-Tracy betrothal told

Mr. and Mrs. Charles H. Tracy, 2414 Edison Ave., are announcing the engagement of their daughter, Miss Tracy Lee Tracy to Phillip M. Green. Parents of the groom-elect are Mrs. Barbara Silvester, 4112 Braden Ave., and Jack Green, 2607 Hodges Ave.

The betrothed couple are planning a Sept. 8 wedding.

Her fiancé is a 1974 graduate of North High School and attended Southern Illinois University at Edwardsville, for a year as an art major. He is presently employed as a construction worker with the Laborer's Local 357.

Miss Tracy will graduate in June from Granite City High School South.

For her wedding the bride designed and created her white gown, fashioned with a scoop neckline and chiffon bishop sleeves accented with a lace and pearl trim.

The decorative lace trim enhanced the full length skirt and chapel train. She wore a fingertip veil of white tulle bordered with pearls lace attached to a mantilla headpiece and she carried a nosegay of white gardenias, button mums and baby's breath with sprigs of greenery.

Maid of honor was Miss Barbara Owens, a sister of the bride, and bridesmaids included Miss Linda Peterson, School South.

Flood-Owens wedding at City Temple Church

A white arch over the kneeling bench, entwined with blue carnations and green ferns, and burning tapers in white candleabra on the altar provided the setting in the sanctuary of City Temple Assembly of God Church for the wedding, on March 11, of Miss Susan E. Owens and Rodney C. Flood.

Organist Mark Cox accompanied Mrs. William Campbell as she sang a selection of wedding music.

The Rev. A. E. Cope performed a double ring ceremony at 2 o'clock in the afternoon followed by a reception held in the church fellowship hall.

This was the first wedding ceremony performed at the newly constructed church.

An evening reception was hosted at the Knights of Columbus Hall in Maryville. Mrs. Joe Spillers presided over the guest book and Mrs. Mark Cox and Mrs. Harold Baker attended the cake table.

Candlelighters were Mrs. Ronald Owens, a sister-in-law of the bride, and Mrs. Kenneth Sipes.

The bride is a daughter of Mr. and Mrs. William L. Owens, 4944 Redwood Lane. Parents of the groom are Mrs. Gaye Flood, 2541 Angela Drive, and Carl Flood of St. Louis.

For her wedding the bride designed and created her white gown, fashioned with a scoop neckline and chiffon bishop sleeves accented with a lace and pearl trim.

Cathy Leisner becomes Mrs. Ronald J. Smith

The wedding of Miss Cathy Leisner, a daughter of Mr. and Mrs. Magnus Leisner, 2819 Marshall Ave., and Ronald J. Smith, a son of Mr. and Mrs. Daniel Smith, 2028 Washington Ave., was solemnized, on March 25, at Community Heights Assembly of God Church.

The Rev. Jeff Smith officiated at the 7 o'clock evening ceremony before an altar decorated with arrangements of lilies and greenery.

Organist Roy Boyer played and sang "We've Only Just Begun" and "Colour My World" preceding the service.

Escorted to the altar by her father, the bride wore a princess style gown of white satin and lace complemented with a lace headpiece and long veil of bridal illusion.

She carried a bouquet of red

roses and white orchids intermingled with sprigs of greenery.

Matron of honor Mrs. Larry Johannigmeier selected a formal length pastel blue chiffon gown worn with a cape of blue and lavender floral chiffon.

Her bouquet was composed of red carnations and baby's breath.

Attending the groom as best friends were Lin Shipman, a brother-in-law.

Mike and Doug Leisner, brothers of the bride, seated the guests.

Miss Teresa Leisner, a sister of the bride, attended the guest book at a reception held in the church fellowship hall, immediately following the service.

The bride is a graduate of Granite City High School South and is employed as a nurse's aide at St. Elizabeth Hospital.

Her husband is working for the Chouteau Township Highway Dept.

They are residing in Granite City.

Mrs. Dee Rabey guest speaker

Mrs. Dee Rabey, of Granite City, was the guest speaker at St. John's United Church of Christ in Valmeyer, Ill., last week.

The theme of the mother-daughter banquet was "Dolls, Dolls, Dolls," and there were 220 present. The table decorations were large bread dough dolls and potted geraniums, which were given as prizes. Individual favors were small bread dough dolls with place cards and programs adorned with cut out paper dolls.

Mrs. Rabey chose the topic "Dolls — Past and Present" combining dolls and genealogy. She will return to Valmeyer at a later date to speak on "Basic Genealogy."

Mrs. Genevieve Hill also of Granite City, accompanied Mrs. Rabey to Valmeyer. Mrs. Hill won a book as a prize.

Temporary glaucoma test unit

A temporary mobile glaucoma screening unit to replace one destroyed by fire Feb. 4 has been placed in service in Springfield.

"Almost 50,000 people annually have their eyes tested for glaucoma in our mobile unit," said Norman R. Dahl, executive administrator of the Lions of Illinois Foundation, Oak Park.

"Many of these people avoid blindness by catching the disease in an early stage, and we felt it imperative to get back on the road as soon as possible to keep serving the people of Illinois."

The former unit also tested for visual acuity, hypertension and diabetes. It was destroyed when the engine burst into flames, engulfing the whole unit, while the vehicle was being driven to Springfield for testing in Southern Illinois. The fire occurred on Interstate 55 near Lockport.

The driver, C.D. Brewer, a Lion field representative, managed to extinguish his flaming clothing and was not seriously injured. There were no other passengers.

The unit, run by the foundation with staff help from the University of Illinois Medical School Department of Ophthalmology, was equipped for on-board testing.

Interim testing now will be done in municipal and public buildings, with the temporary unit transporting the testing equipment around the state.

MIKE RANDALL of Granite City displays an eight-pound black bass caught at Toledo Bend near Polk, La., on a red plastic lure. The youth said it was the first time he had tried bass fishing with regulation casting rod and reel. Randall lives at 2300 St. Clair Ave.

Aldermen volunteered to serve at a public spaghetti dinner Sunday, hosted by Granite City Township officials to benefit the Township Senior Citizens Club.

Serving will take place from 11 a.m. until 6 p.m. Sunday at the new township building, auditorium, 2060 Delmar Ave. The public is invited to attend. Tickets, costing \$2 for adults and \$1 for children under 12 years, may be purchased at the door.

The dinner consists of salad, spaghetti and dessert.

Persons wishing to purchase carryout orders are being asked to provide their own containers.

Aldermen volunteer to serve spaghetti dinner

Several Granite City aldermen have volunteered to serve at a public spaghetti dinner Sunday, hosted by Granite City Township officials to benefit the Township Senior Citizens Club.

Serving will take place from 11 a.m. until 6 p.m. Sunday at the new township building, auditorium, 2060 Delmar Ave. The public is invited to attend. Tickets, costing \$2 for adults and \$1 for children under 12 years, may be purchased at the door.

The dinner consists of salad, spaghetti and dessert.

Persons wishing to purchase carryout orders are being asked to provide their own containers.

PROCEEDS FROM THE DINNER will be used to rent movies to be shown senior residents, Nelson Hagnauer, supervisor, reported.

TOLL-FREE TAX CALLS

To help last-minute filers get their 1977 federal tax returns filed before the deadline of Monday, April 17, a toll-free telephone lines and some IRS offices will remain open until 6 p.m. that day. The toll-free telephone number, 800-252-2921, is listed in the federal tax packages which taxpayers received in the mail, and in telephone directories.

STEVE LASSLO

Former resident teacher in Utah

Steve Lasslo, a former Granite City resident, has been voted "Teacher of the Week" by students at Notre Dame Catholic School in Price, Utah. Lasslo was born and reared in Granite City. He graduated from Granite City High School South in June 1970 and received his bachelor's degree in 1974 from St. John's University in Collegeville, Minn.

Tri-City Port, barge lines named in suit

A two-count lawsuit which seeks \$15,000 in each count from Federal Barge Lines, Inc., and the Tri-City Regional Port has been filed in Madison County Circuit Court by Mary R. Oliver, wife of the late Darrell Gene Oliver.

The suit alleges that on Sept. 30, 1977, while Mr. Oliver was a Granite City Steel employee at the port, he was unloading a Federal barge and was knocked into the barge's hold, fatally injuring him.

The port district is charged with leasing a defective crane to Granite City Steel to be used in closing barge hatch covers and failing to maintain the crane or to test it for hazards.

Federal Barge Lines is charged with failure to warn persons working on the barge of defects or to provide safety equipment.

Mr. Oliver is survived by his wife and six children, the suit notes.

Philosopher will speak

The third annual Fritz Marti lecture has been scheduled at SIUE Monday, April 10, at 7 p.m. in the Mississippi Room of the University Center. Wolfe Mays, professor in the Department of Philosophy at the University of Manchester in England, will discuss "Affectivity and Values in Piaget."

Currently editor of the Journal of the British Society for Phenomenology, Wolfe has published "The Phenology of Whiteness" along with S. C. Brown, in the edited "Linguistic Analysis and Phenomenology" and was a contributing author to Volume I and IV of "Etudes D'Epistemologie Genetique." In addition, Prof. Mays has published a variety of articles in professional journals.

The annual Fritz Marti lecture series was established at the local university in 1975. Marti, emeritus professor at SIUE, has spent more than 50 years as a philosopher, scholar and teacher.

The public is invited to attend the lecture and a reception that follows. The reception will be in honor of Mays and Marti.

File \$15,000 dram shop suit

A \$15,000 dram shop suit has been filed in Madison County Circuit Court by Lola Barker, mother of the late Scott A. Barker, against Ole Bilich, doing business at Bilich Tavern, 1244 Madison Ave., Madison. The suit alleges that Mr. Barker, then 18 years old, was in the tavern with four other youths, ages 16 to 18, and they were served drinks.

Mr. Barker became intoxicated and then drove from the tavern into Granite City where his auto struck a theater car and a building, fatally injuring him.

Commemorative events to observe silver jubilee

Bro. Charles Schmitt, SM of Assumption High School, East St. Louis, will observe his 25th anniversary as a member of the Society of Mary with commemorative events beginning next week. The silver jubilee made his first profession of vows at Maryknoll in Galesville, Wis. in 1953.

BRO. CHARLES SCHMITT
Silver Jubilarian

In gratitude for his dedicated service to the entire Assumption High School family, the students and faculty will honor Bro. Charles at a liturgy at 1:30 p.m. on Friday, April 14, a public reception for alumni, parents, faculty colleagues and friends is scheduled for Friday evening at Assumption.

On Saturday, April 15, at 4 p.m., the family of Bro. Charles, the Marianists, and close friends will join him in a Mass of Thanksgiving at St. Philip Church in East St. Louis. A dinner will follow at Assumption.

Manyhurst in Kirkwood, Mo. Bro. Charles received a bachelor of arts degree in English from St. Mary's University in San Antonio, Texas, and a master of arts from DePaul University in Chicago. From 1956-1967, he taught in several Marianist schools in Texas, Manitoba, Canada, Chicago and St. Louis. Since 1967, he has served at Assumption High School as an English teacher, alumni moderator and member of the Senior Divisional Council. Presently, he also is the director of the Marianist Community at Assumption.

Elks clinic Tuesday

The Granite City Elks Lodge, in cooperation with the Illinois Elks Crippled Children's Commission, will sponsor a free diagnostic clinic for physically handicapped children Tuesday, April 11, from noon until 3 p.m. George Grimm, chairman of the local Elks Lodge committee, said the clinic will be held at the Elks Club and the general public is invited to participate.

Children with orthopedic problems, including those who have been examined at previous clinics and those physically handicapped in any way, are invited to attend for evaluation. Children from newborn to 21 years of age are welcome. They should be accompanied by a parent or guardian.

Family physicians are invited to send patients they feel might benefit from this service as well as patients that are needing physical therapy. School nurses are urged to refer any handicapped child they might have contact with in their area. All Elks with children should especially take advantage of this clinic even though there seems to be no problem. You feel there is nothing wrong, but why not be sure?

The Elks of Illinois are sponsoring clinics in 65 lodge areas with 88 clinics being held this year, such clinics having been started 50 years ago. They have provided medical care, operations, hospital care, prosthesis and physical therapy during most of this period. There is no charge for services rendered at this clinic.

Illinois River expert sees 'mismangement'

Richard Sparks of the River Research Laboratory addressed the Sierra Club regarding the environmental assessment of the Illinois River at the club's monthly meeting Monday night at the First Presbyterian Church, 4th and Alby streets, Alton. The topic was "The Future of the Illinois and Upper Mississippi Rivers."

The Illinois begins at the confluence of the Des Plaines and Kankakee Rivers. However, different waterway programs have connected the Illinois, the Des Plaines, the Chicago Sanitary and Ship Canal and the Chicago River to form the Illinois Waterway.

The waterway provides a navigation channel nine feet deep and 160 to 300 feet wide, connecting the Mississippi River and Lake Michigan. Navigational locks and dams along the rivers impound waters, called pools, at different geographic locations, such as the Alton, LaGrange, Peoria, Starved Rock, Marseilles and Freedom Pools.

Sparks regards the Illinois River as a lesson in mismangement of a natural resource.

He hopes that some restoration of the Illinois River can be achieved and that Americans can avoid "making the same mistakes on other rivers."

Sparks is assistant aquatic biologist of the Illinois Natural History Survey, Havana, Ill. He received his Ph.D. degree in 1971 from Virginia Polytechnic Institute.

Much of his research has been published, including the "Environmental Inventory and Assessment of Navigation Pools 24, 25 and 26 of the Upper Mississippi and Lower Illinois Rivers."

SCATURRO'S ITALIAN RESTAURANT and lounge is now open at 705 Madison Ave., Madison. Wayne Scannell, left, president of the Madison Business Association (MBA), reviews the menu Thursday with Robert Scaturro of Venice, owner and operator, in the lounge section of the restaurant. The new restaurant is decorated in an Italian decor.

Let contract for left-turn signal project

A contract for revision of the electric traffic signal at Pontoon Road and Nameoki Road was awarded by the Granite City Council last week to the Rite Electric Co. of Granite City.

The signal work will provide left turn signals at the Pontoon Nameoki intersection, an improvement sought by council members for the last several years.

The contract was awarded on a low bid of \$9,000 by Rite Electric. Only other bidder was Dron Electric Co. with an offer of \$10,700.

Airman graduates

An official at Sheppard AFB, Tex., has announced the graduation of Airman Charles B. Robinson from the U.S. Air Force's carpentry specialist course conducted by the Air Training Command.

Airman Robinson, a son of Mr. and Mrs. Charles G. Robinson, 2221 Orrville Ave., is now trained to construct and maintain buildings and assemble prefabricated structures, and will serve at Chanute AFB, Ill.

Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman attended Granite City High School.

Space staff hoping to perfect crop spraying from the air

(Press-Record Washington Bureau)

A "marriage" of two farm helpers working together in a shaky arrangement since the 1920s is being studied by the National Aeronautics and Space Administration's researchers. Scientific "matchmakers" at NASA's Langley Research Center at Hampton, Va., are studying crop dusting and spraying systems and agricultural aircraft with a view toward wedding the two more effectively.

The objective is for the pilot to be able to deliver a more effective payload over the crops and reduce the number of trips needed to cover a field.

Crop-dusting no longer is a fly-by-the-seat-of-your-pants and hope-for-the-best operation. Science is moving in.

A public perception of crop-dusters as the last of the "white scarf and goggles" flyers could not be farther from the truth, according to Roger Winblade, NASA's manager of general aviation technology.

The pilots are still a unique breed.

Not everyone is prepared to fly an airplane, heavily laden with chemicals, five to 15 feet above the ground at speeds of 80 to 150 miles an hour.

Crop dusting and spraying systems work as well as they do largely because the pilots and operators are still an innovative breed, Winblade believes.

But advances in technology have not kept pace with the boom in business.

There were about 8,500 fixed and rotary aircraft in agricultural service in 1976, flying 2,500,000 hours over 250 million acres.

The acreage covered is increasing about 12 percent a year.

Madison accident

Two drivers were injured when the autos of Steve Chaney, 69, of 203 Madison Ave., Apt. 7, Madison, and Kathy Williams, 25, of 713 Jackson St., Madison, collided at 13th Street and Madison Avenue in Madison at 8:35 p.m. Saturday.

Chaney, who was charged with failure to yield the right-of-way, declined to be taken to the hospital, despite visible injuries.

Kathy Williams was taken by Granite City ambulance to St. Elizabeth Hospital where she was admitted with injuries to her chest, ribs and right arm.

Arch generator building bids

Bids from small business concerns are being sought for construction of a new generator building with supporting facilities at the Gateway Arch, according to Memorial Superintendent Robert S. Chandler.

With an estimated price range of \$150,000 to \$200,000, the bids are to include removing and reinstalling existing generator units; freeze protection for a pump pond; construction of a concrete drive and ramp, grading, fencing and sodding.

Time for completion of the work is 270 calendar days.

Interested potential bidders may obtain drawings, specifications and bid forms in the Old Courthouse at 11 N. 4th St., or by telephone to (314) 425-6006.

WORTHEN: EXPERIENCE, LEADERSHIP, AND QUALITY EDUCATION FOR 17 YEARS AS A SCHOOL BOARD MEMBER

Monroe Worthen has served on the Granite City School Board since 1961. He has served 4 terms as board president and 3 terms as board treasurer. During his tenure, Monroe has helped our school district maintain a level of excellence unsurpassed in the region and the state — PLUS, our school district has remained the leader in vocational education.

Monroe received his degree at St. Louis University in Accounting. He initiated the move to eliminate the position of a paid treasurer for the school board. He helped consolidate the position so that it would save taxpayers money. Isn't this the kind of common sense leadership you want to maintain in your school district? Say YES by re-electing—

Michael Caban is baptized

Michael Jeffrey Caban, infant son of Mr. and Mrs. Jeffrey Caban of Granite City, was baptized Sunday at St. Joseph Catholic Church, with Father Gary Perre officiating.

Sponsors for the baby were John T. Papa and Mrs. Gloria McCutcheon, an aunt. Mrs. Louise Papa served as proxy sponsor for Mrs. McCutcheon.

During the evening an open house affair was held for friends and relatives at the Caban home. Among the guests was the maternal grandmother, Mrs. Lorraine Black and paternal grandparents, Mr. and Mrs. Paul Caban Jr.

The United Methodist Women of Trinity United Methodist Church met last week at the church for a salad luncheon followed by the general meeting.

Decorations for the affair were provided by Kathleen Tadlock. Guest Speaker was the Rev. Charlotte Zachary, pastor of the First United Presbyterian Church in Madison. She showed slides of many interesting points of interest in England, she had taken while serving in that country.

Mrs. Thelma Morris gave a report on delivering Easter gifts to the congregation who are ill.

Cookbooks, costing \$2.50, are available from church members with the proceeds to be used to redecorate the former parsonage now being used for youth activities. It was announced.

Attending the meeting were Lu Stevens, Betty Bryant, Alice Baumberger, June Hubert, Evelyn Gerig, Madge Talley, Olga Koenig, Pearl Kester, Fern Erwin, Ruth Strol, Milda Brianard, Mary Lee Herman, Dorothy Kathy, Wanda Roffel, Jackie Dillard, Rofine Rutkowski, Lili Heffley, May Lee and Betty Roberts.

Erin Bayer is party honoree

Erin Elizabeth Bayer was complimented on her sixth birthday with a party given at McDonald's Restaurant by her parents, Mr. and Mrs. Charles P. Bayer, 2614 Dogwood Drive, last week.

Decorations were in a Ronald McDonald motif and the birthday cake was frosted in keeping with the theme.

Games were played and those winning prizes were Michelle Wachter and Tina Mull.

Also present were Tammy and Lori Ann Pike, Derek Sveig, Denise Ray, Steffie Caudle, Dawn Parin, Susie Painter and Kirk Beam.

Mrs. Bayer was assisted with the party by Mrs. Judy Pike.

Seeks state presidency

Mrs. Jackie Petras of Granite City, a past president of Amvets Auxiliary Unit 51, announced her candidacy for president of the Illinois Amvets Auxiliary at a Division 5 meeting held Sunday at Amvets Post 4 in Mount Vernon.

A former state officer and Division 5 president, Mrs. Petras received the endorsement of the divisional units represented at the meeting.

The election will take place in June at the state convention in Champaign.

In other business at the session, conducted by Mrs. Glenda Brockman of Granite City, President, nominations were accepted for Division 5 offices. The election is

scheduled June 4 at Harrisburg Post 244.

Donations were authorized to the Marion, Jefferson Barracks and John Cochran Veterans hospitals.

Mr. Brockman announced the national Amvets commander and national auxiliary president will be making their traditional tour of Illinois in April, visiting local posts on April 10.

Mrs. Mary Rich of Auxiliary Unit 4 won a white elephant gift and Mrs. Charlotte Torregrossa of Unit 51 also received a prize.

Also attending the divisional meeting from here, in addition to those named, were Nick Torregrossa and Adam Petras, both of Post 51, and Vasil Graville, commander of Madison Amvets Post 204.

Preaching mission at Trinity Methodist set

The Rev. Dr. Robert Krause will conduct a "preaching mission" beginning at the morning worship Sunday, April 9, at Trinity United Methodist Church, East 25th and Henry streets, according to the Rev. Paul Bryant, host minister.

He will continue the services each evening at 7 o'clock, Sunday, Monday, Tuesday and Wednesday.

Rev. Krause is formerly from East St. Louis, and was active in the Alta Sita Methodist Church. A graduate of McKendree College, he also has received his honorary doctorate of Divinity degree from McKendree and serves as trustee at the college.

He is married to the former Colleen Draper of Madison, and is pastor of the Union Methodist Church in Belleville.

Rev. Bryant announces special music will be featured at each service, which is open to the public.

GOING HUNGRY. Looking warily at a plate of rice being served in the cafeteria of Southern Illinois University at Edwardsville in observance of World Hunger Relief Day last week is Dr. Kenneth A. Shaw (second from left), president of the university. The cafeteria served rice luncheons for donations of \$1.50, with proceeds going to the International Relief Fund.

Two hurt in cycle mishap

Gary Bromley, 29, of 3865 Rodney Drive, Apt. 2, and Tammy Maykopet, 14, who resides in the same apartment building, were injured when a motorcycle they were riding fell on the parking lot of Grigsby Junior High School at 7 p.m. Thursday.

Bromley said he was driving west in an open field and entered the parking lot when a steel cable became entangled in the motorcycle's spokes, causing the cycle to fall and throwing him and the passenger onto the parking lot.

Both went to St. Elizabeth Hospital where they were admitted. Bromley suffered a

broken left lower leg and Miss Maykopet suffered a possible head injury and pain to her back, left heel and left foot.

Driver injured

Dennis W. Westray, 20, of 4094 Brumme Drive, was injured when his car and the auto of Jerry L. Baker, 2600 Hemlock Ave., collided at Maryville Road and Hemlock Avenue at 8:30 a.m. Saturday.

Westray was taken by Granite City ambulance to St. Elizabeth Hospital where he was treated for cuts and injuries to his face and right leg. X-rays were taken and he was released.

Joining the president in support of the relief effort are (from the left) The Rev. Gregory Ingram of the SIUE Religious Center; The Rev. Ralph Jones, pastor of the African Methodist Episcopal Church of Edwardsville; and the Rev. James Shortall and the Rev. Larry Meinzen, both of the SIUE Religious Center.

Stone joins Illinois Power Co. board

Richard P. Stone, grain and seed farm operator, Rural Route Six, Springfield, a director of the Illinois Agriculture Association, was elected to the board of directors of Illinois Power Company at the annual meeting of stockholders of the company Thursday in Decatur.

Two members of the board retired with Thursday's meeting. They are Charles B. Shuman of Sullivan, Ill., former president of the American Farm Bureau Federation, retiring from the board after six years of service, and Edwin P. Vandewick, chairman of the finance committee of Motorola, Inc., Schaumburg, Ill., who has served on the board since 1971.

The board on Feb. 7, 1978 decreased the number of members from 12 to 11, effective as of March 30.

Re-elected to the board by IP stockholders Thursday were Robert J. Burrow, Danville; William C. Gerstner, Decatur; George E. Hatmaker, Springfield; Wendell J. Kelley, Decatur.

John H. Leslie, Glenview; Harold G. Meenen, Decatur; Keith R. Potter, Chicago; Boyd F. Schenk, St. Louis; Charles W. Wells, Decatur; and Vernon K. Zimmerman, Urbana.

Kelley was re-elected as chairman and president of the company at a board meeting following the stockholders' meeting.

Other officers re-elected by the board include Meenen, vice chairman; Getstner, executive vice president; Wells, executive vice president.

Larry D. Haab, Leonard J. Koch, James O. McLeod, L. N. Talbot and William E. Warren, vice-presidents, and D. F. Meek, secretary and treasurer. Officers appointed by the board are Johnson Kanady, assistant to the president; Arthur E. Gray, controller and assistant secretary; and J. B. Burdick, assistant treasurer. Stone, operator of Stone Seed Farms, Inc., is a lifelong resident of the area west of Springfield.

He graduated from the University of Illinois with a bachelor of science degree in agriculture science in 1956. He served in the Army in 1956 and 1957, and again in 1961-62 as a captain.

He presently holds directorships in the Illinois Agriculture Association, Illinois Foundation Seeds, Country Mutual Insurance, Country Life Insurance, Mid-America Fire and Marine Insurance, Country Capital Services, Inc., and the First National Bank of Springfield.

Much of his outside activity has been directed toward higher education. He was a member of the Lincoln Land Community College Board from 1967 to 1971; a member of the Illinois Community College Board, 1974 to 1977; chairman of the Illinois Community College Board, 1975-77; a member of the committee to plan the state board of education, 1972-1973; and a member of the Illinois Board of Higher Education, 1975-1977.

He was a member of the United States Department of Agriculture National Grains Advisory Committee from 1970 to 1974.

Stone served as a member of the University of Illinois Agronomy Advisory Committee in 1973-1974, and a member of the University of Illinois

Poisonous plants

By CATHERINE R. MAUCK
Madison County Extension Adviser,
Home Economics

Aspirin, lipstick, aerosol sprays and plants — most parents don't realize that these and other common items around the house and yard are potential dangers to children.

Because we think these products desirable, we are not aware that they can be poisonous if consumed or used in a manner different from what was intended. Plants offer particular danger to children.

More than 500,000 children are treated for the ingestion of poisonous substances each year. Nearly 12,000 of these cases involve plants.

Seldom is a whole plant dangerous. Usually the danger comes from only one or two of the plant's parts: the seed, leaves, flowers, berries, stems, roots, bolls, bark or fruit.

For example, eating potato leaves can cause sickness although the potato itself is a staple food.

Remember that poisonous plants, such as poison ivy, affect some individuals more severely than others.

Should a child swallow a part of a plant, induce vomiting immediately unless the victim is unconscious or in convulsions.

If you are not sure the ingested plant was poisonous,

induce vomiting, anyway. Contact your doctor in either case.

Few deaths have resulted from ingesting poisonous plants. No fatalities from either the poinsettia or mistletoe berry, commonly called the "deadly plants," were reported from 1969 to 1974.

Research is in progress to further discover plant parts which are poisonous or which cause serious effects when ingested.

The dieffenbachia house plant is known to cause death by suffocation if the base of the tongue swells enough to block the passage of air.

Because of the risk involved, children should be warned not to touch, chew, eat, or put any plant part in their mouths. Teach children how to identify common poisonous plants and the symptoms of poisoning.

Johnson named to state board

Mass Transit plan outlined

By WALTER STRANGE
Press-Record Staff Writer

The board of the East-West Gateway Coordinating Council has tentatively approved a plan for improving mass transit in the greater St. Louis area, it was announced here Thursday by Leo Konzen.

Konzen, Regional Government Issues chairman of the Tri-City Area Chamber of Commerce, presided at a public information meeting held in the YMCA, attended by representatives of East-West Gateway and Bi-State Development Agency representatives.

Al Richter, director of East-West Gateway, said, "The plan we are concentrating on, called Composit Two, has been sent to the Urban Mass Transit Administration in Washington, D.C. for further study. We hope to have details of the portion of the plan ready for implementation by Bi-State by June."

"Bi-State already is working on a \$170 million, five-year improvement plan. Our plan is for 10 to perhaps 15 years in the future."

Composit Plan Two will cost at least \$512.5 million and will produce the best transit for the metropolitan area. It utilizes a combination of the Bi-State transit system, light rail and freeway-bus systems.

Cost figures presented were at the current prices of material and labor.

After a detailed explanation of several plans that had been studied, Dick Brown, a transportation consultant for East-West Gateway opened the meeting to questions.

Granite City Mayor Paul Schuler said, "I can not see much change in the service Granite City will be receiving. There does not seem to be much savings of time or advantages for this area."

Brown noted that there would be better service from Granite City to the Fenton area.

Use of Route Three from Alton through the Quad-City area and then over the McKinley Bridge was studied, according to Richter, but was believed to be too costly due to low ridership.

McKinley Bridge Manager Thomas Fields of Venice strongly disagreed with Richter and pointed out the East-West Gateway figures and study was prior (1976) to the opening of Route Three from Granite City through Venice.

Fields further noted that since Illinois Route Three has been finished, there has been a marked increase of several

thousand cars using the McKinley bridge regularly from the Alton area and the Edwardsville area.

Jerome Kirzner, executive assistant of Bi-State Development Agency, and John H. Thomas Jr., research planner for Bi-State, were asked several questions concerning bus route improvements.

Kirzner apologized for not having any statistics with him and for not knowing the area well. Kirzner said he has been in St. Louis only for a month.

Kirzner said, "We will hire a consultant, within the next two weeks to study service to the Illinois area. We want to know what we should do with our system. We are competing with every other agency for government dollars. There are numerous requests that we would like to accommodate, but we can only do so much with funds available."

When asked if the Illinois area is being treated equally and fairly with the Missouri area by Bi-State, Kirzner said, "Yes, considering the money provided by Illinois."

It was noted that there are 30 bus routes in Illinois and that five of these routes account for 70 percent of the riders.

Richter said that although the bus portion of the new plan will be in Bi-State's hands by June for implementation, the plan for light rail, described as a modern-day street car, will require further studies of rideaways, environmental impact and population requirements.

Richter said, "We have tried to be realistic in our studies. Only five percent of the trips made now by people are by mass transit. We just are not an intensely developed area like Chicago. We are really spread out."

"What we are trying to develop is a good, clean, efficient transportation system with flexibility as an alternative to the automobile. What happens if our energy sources become scarce and gasoline for autos becomes costly? We would like to have a transit system ready to handle the needs of the area."

Richter said that ridership would be improved as facilities improve.

Under the proposed system, freeway buses could stop only at far-spaced exits in conjunction with park-and-ride facilities.

Light rail could operate on regular streets and the speed would be determined by the number of stops. Electronic devices would enable the light

rail cars to control traffic lights, keeping them at green to cross the intersecting streets. The modern, diesel-electric cars would be used mainly in the high-density areas, he said.

Operating costs for the new composit system two would run about 90 cents a person and therefore had to be covered by public service and subsidized by various governmental groups, Richter said.

A representative from Highland, Ill., asked about extending service beyond Belleville and operating a morning and evening bus from Highland to the downtown St. Louis area.

Richter explained the cost would be prohibitive as studies indicated that only five percent of persons making trips use mass transit.

"If 200 persons travel daily from Highland to St. Louis and back, that means only 10 would ride a bus," Richter said.

In closing, Konzen said, "I am convinced that in 10 years from now mass transit will be vital. I believe we should keep people informed as to what is happening in this area."

Social science radio reports

WSIE-FM (88.7), the radio station of Southern Illinois University at Edwardsville, will present a series of programs in the interest of humanities and social sciences during April, May and June.

'Smoking Sam' at Breakfast Kiwanis

"Smoking Sam," a dummy used in conjunction with a lecture by Hunter Crigler in an anti-smoking presentation, visited the Breakfast Kiwanis Club meeting Thursday in the Pie Cupboard.

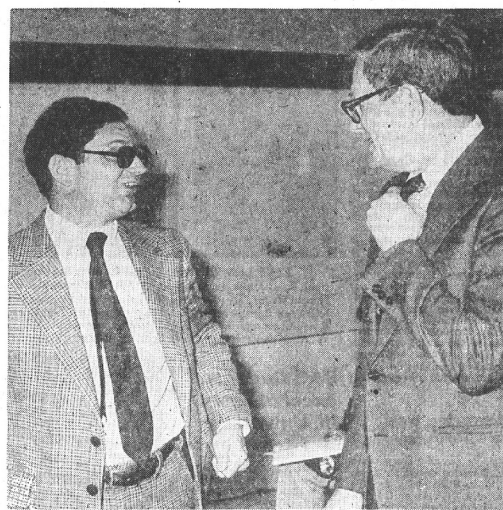

"Sam" and his friend Hunter explained the health hazards of smoking.

Kiwanian Fred Hoffman (Officer Friendly) was the program chairman.

Members were reminded that club dues are due and that the District Convention will be held in Springfield, Ill., Aug. 24 and 25.

The club is planning to hold the annual "Hole-in-One" golf tournament, but the dates have not been set.

Stuart Miles was elected club treasurer, replacing Don Wohlmann who is moving to St. Louis.

MASS TRANSIT FUTURE was the topic of discussion Thursday afternoon at a meeting in the YMCA. Al Richter, left, executive director of the east-West Gateway Coordinating Council, and Leo Konzen, Regional Government Issues chairman of the Tri-Cities Area Chamber of Commerce, discuss the transit situation before the meeting. Bi-State transit marks 15th year

The Bi-State Development Agency will mark its 15th anniversary as operator of this region's mass transportation system by implementing a series of transit improvements, including more frequent service on a number of heavily-traveled bus routes.

The changes will take effect on Missouri routes on Monday, April 16.

In Illinois, this week, one O'Fallon express trip which has operated from Lebanon to St. Louis will be cut back to operate instead between Smiley and Highway 50 in O'Fallon, and St. Louis.

On the O'Fallon local line, two round trips will be extended to Lebanon Monday through Friday.

Bi-State took over area transit operations on April 1, 1963, when the physical assets of 15 formerly independent transit properties, including Community Coach Co. (Nameoki Transit), were transferred to the agency, financed by a \$26.5 million revenue bond issue.

During the subsequent 15 years, Bi-State has consolidated the formerly separate and occasionally competing private operations into a unified 161-route system, served by a modern bus fleet and charging a 25-cent basic fare, one of the lowest in the nation.

BAC students excel at East Ill. University

A report released by Eastern Illinois University indicates that Belleville Area College students fare substantially better than the average community college student after transfer to that university.

Samuel J. Taber, dean of student academic services, says the BAC students enrolled during the fall 1977 term had a mean grade point average of 2.90 for the term, compared to 2.53 for the average of all Illinois community colleges.

The mean cumulative GPA for BAC students was 2.96, compared to 2.65 for other community colleges.

Dr. Gordon Stone, dean of the baccalaureate oriented division, said, "This report indicates the excellent preparation that students receive at Belleville Area College as well as the high caliber of the students who attend our school."

Fifty-seven former BAC students were enrolled at Eastern Illinois University during the fall semester.

NEWLY-INSTALLED Exalted Ruler Harold Rush (left) is congratulated by Harry Taylor, retiring from that office. Joe Harding conducted the installation Sunday, and over 100 attended the dinner dance that followed. Charles Rodell is Elk-of-the-year, and it was noted that 35-year member Robert L. Martin has retired as secretary after ten years in that position.

Express bus to Six Flags

Special express service to Six Flags Over Mid-America will begin on weekends starting Saturday-Sunday, April 8-9, and will be expanded to seven-day-a-week operation on May 20, the Bi-State Development Agency has announced.

Coinciding with the resumption of the seasonal service will be the implementation of a new schedule to accommodate employees commuting to and from the amusement park, as well as visitors, and certain trips will be operated via Eureka, Mo.

Beginning Saturday, April 8, and continuing on weekends through Sunday, May 14, buses will leave Broadway and Market St. for Six Flags at 8:30 and 11 a.m., and 1 p.m. Return trips will leave Six Flags at 3:15, 5:45 and 8:15 p.m. A one-way trip takes one hour and 20 minutes.

An additional trip will leave Crestwood Plaza for Six Flags at 3:55 p.m. On Saturday, May 6, Bi-State will add a late-evening (9:40) departure from Six Flags to St. Louis as Six Flags expands its hours.

Daily operation will begin Saturday, May 20, and continue through Labor Day, Sept. 4, the first time this service will have been offered.

Six Flags buses will make all local stops from their point of origin at Broadway and Market along Broadway, Spruce, 4th, Washington, 15th, Market, Ewing, Olive-Lindell and Kingshighway to Interstate 44. After a stop at I-44 and Hampton, buses will proceed west and again make all local stops from I-44 and Elm along Elm and Highway 366 to Lindbergh. Another stop will be made at I-44 and Highway 141, Columbia, Ill.

Her auto was northbound on State Street and failed to stop at Niedringhaus Avenue, because the stop sign had been stolen. It then was struck by the west-bound auto of Alan Shemwell, 2512 Maryville Road.

The injured driver was taken by Granite City ambulance to St. Elizabeth Hospital where she was treated for a cut to the right side of her head. Sutures were applied and she was released.

Missing sign causes crash

A stolen stop sign was believed responsible for an accident at Niedringhaus Avenue and State Street at 2:10 p.m. Sunday which resulted in injuries to Yvonne Pulcher, 22, Columbia, Ill.

Tim O'Mara to represent MHS at scholar-athlete banquet

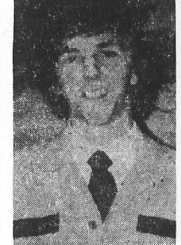

Tim O'Mara has been selected to represent Madison High School at the annual Scholar Athlete Banquet for graduating seniors from area schools.

The evening event will be on Thursday, May 4, at the Chase Park Plaza Hotel, St. Louis.

The representative is selected by the school he attends and is based on both scholastic and athletic achievement.

O'Mara has a grade point average of 3.394 out of a possible 4.0 with a concentration of courses in math, science, and foreign language. He has lettered two years in football and two years in baseball, playing first base and the outfield.

He is a son of Mr. and Mrs. Gordon Leadlove, 2025 Fifth St., Madison. After graduation on June 2, he plans to attend

TIM O'MARA

To call for bids on new fire pumper

Granite City Council members have authorized a bid call for a new fire pumper that would replace the 15-year-old pumper, unit now in service at the West Granite City fire station.

The bid call was approved last week on a motion by Alderman Earl Baker of the Sixth Ward, chairman of the Fire and Water Committee.

The pumper truck has been budgeted at \$85,000 in the city's Community Development fund appropriations. It was noted that delivery on such a truck takes at least one year and that the truck could be financed in two sections in different fiscal budgets.

Product liability 'balance' sought by state group

A new Illinois Manufacturer's Association booklet — "The Product Liability Problem in Illinois: Needed, Legislation to Restore Balance" — discusses the current product liability case law in Illinois.

This judge-made law has imposed "revolutionary" — to quote one judge — burdens on manufacturers and sellers of products, the IMA contends. The courts of Illinois and those of most other states have adopted a "strict liability" theory of product liability. This is said to make the manufacturer and seller of a product liable if the product had a defect which made it "unreasonably dangerous" to the consumer.

Liability is applicable even if it is theoretically or practically impossible to detect or remove the defect at the time the product was manufactured, the IMA asserts. Legal decisions described in the booklet are said to be moving the already costly doctrine of strict liability toward one of absolute liability on the part of the manufacturer and seller.

—Illinois Courts have refused to define a "defect" or "unreasonably dangerous." Furthermore, existence of a defect does not have to be proved. (Twine vs. Wright Ford Sales, Inc.)

—The negligence of the user or customer is not a bar to recovery against the manufacturer.

—The fact that the manufacturer has changed the product can be used in a trial as evidence that the original product was not as safe as it could have been.

—Manufacturers and sellers have been held liable for failure to warn, even though hazards were obvious. For example, warning labels are now appearing on hammers, ladders and sporting equipment.

Results of these ominous trends include more suits, easier verdicts, big judgments (\$5 million in 1976 against a Chicago football helmet manufacturer, \$128 million in 1977 against Ford Motor Company, for example), high legal costs, far higher insurance premiums, some products driven off the market, and closure or merger of small companies.

an IRA spokesman says. Recommendations to deal with such problems are discussed in the brochure.

DOTTIE WEST will headline the cast of country western stars to perform at 2:30 and 7:30 p.m. Sunday, April 9, at Memorial Gymnasium, South High School campus, in a benefit show for the Shrine Crippled Children's Hospital, St. Louis. Tickets are available at three Granite City locations, Colonial Bank, Skotky's Jewelry Store and Fornasewski Music Store, at a cost of \$4 per person.

Country western stars to appear at Shrine benefit

Grammy award winners, The Kendalls and Dottie West, country western music stars from Nashville, Tenn., are scheduled to perform at two shows Sunday, April 9, at Memorial Gymnasium, South High School campus.

The benefit shows, at 2:30 p.m. and 7:30 p.m., for the St. Louis Shriner's Crippled Children Hospital, are sponsored by The Tri-City Shrine Club.

Tickets costing \$4 per person are on sale at Colonial Bank, 2400 Ponton Road; Skotky's

Jewelry Store, 1394 Niedringhaus Ave. and Fornasewski Music Store, 3009 Nameoki Road.

Royce Kendall, 44, a former St. Louisan, and his daughter Jeannie, 24, won the Grammy award this year for the best country vocal performance by a duo or group for their hit "Heaven's Just a Sin Away." The Kendalls' latest hit, "Don't Feel Like Sinner" to Me" is number one on the stations' charts. They also have recorded such songs as "Two Divided by Love," "You've Lost That Loving Feeling" and "Live and Let Live."

Dottie West is best known for her recordings of "Paper Mansions," "I Was Born a Country Girl" and "Country Sunshine." She also has a new record made with Ken Rogers

which is a top seller across the country.

Miss West, The Kendalls and Ken Rogers appeared on national television in the World's Largest Indoor Country Music Show Wednesday night. Well-known on the television circuit, Miss West has performed on the Eddy Arnold TV Special, Country Hit Parade TV, Hee Haw, Pop, Glen Campbell Show, Jimmy Dean Show, Nashville On the Road, the Porter Wagoner Show, Music Hall America, and many others.

Co-chairmen of the project are Kelly Hogan, Kerry Ervay, Jack Fricker and George Stevenson.

The Compacts and Provost Guard will be in charge of parking and security and Shrine Club members will serve as ushers, at both Sunday shows. Tickets also are available at surrounding area locations at Baxter Distributing Co., 912 E. Broadway, Alton; Condray Studio's, 116 S. Prairie, Bethalto; Karrer Insurance Agency, 111 East Main, Collinsville, and Gateway Talent, 320 Brookside Drive, Hazelwood, Mo.

The gym will seat 3,500 people and there will be no reserved seats. The show is open to the public and seating will be on a first come first served basis, according to the chairman.

Exercises for mind and body

Workshops which feature exercises for the mind and the body will be offered by the SIUE Office of Conferences and Institutes during the spring quarter.

Beginning April 17, an introductory course on yoga will be taught Mondays from 5:30 until 6:30 p.m. in Room 0207 of Classroom Building II, beginning April 18. The workshop will deal with diet and fasting, along with exercising. Registration for the course is \$10.

Zen meditation classes will meet Tuesdays from 7 until 9 p.m. in Room 2408 of Classroom Building II, beginning April 18. Meditation sessions and lectures on Zen traditions and Buddhism will be given. Registration is \$5.

Intermediate yoga will meet Wednesdays from 8:30 until 9:30 p.m. in Room 0207 of Classroom Building II, starting April 19. Participants will work on exercises, chanting and meditation. Registration is \$15.

"Acting for fun and growth" classes will meet Wednesdays from 7 until 9 p.m. in Room 2039

of the Communications Building, beginning April 19. Simple improvisational exercises designed to stimulate the imagination, increase concentration, and develop awareness and self-confidence will be included in class instruction, along with learning procedures for playing a role. Registration is \$15.

Applied metaphysics, a course that introduces the student to the study of the mind and mental law, will meet Wednesdays from 7 to 9 p.m. at a location to be announced later. Classes will begin April 19. Participants will learn techniques intended to broaden their views and provide tools for personal expansion.

Mental exercises and techniques will be presented to aid in developing deeper power of concentration and control of the will. Registration is \$30.

Workshops on other areas of concentration will be offered during the spring quarter. Information is available by contacting Bonnie Little at 692-2960.

THIRD SON TO EARN EAGLE AWARD. Tom Busch, third from left, is the third son of Mr. and Mrs. Pat (Cathy) Busch, first and second from left, to obtain

the Eagle Scout award. On the right of Tom are Charles White and Robert Moskey, assistant Scoutmasters. The presentation was made this week.

Schwoebel retires

After more than 48 years of service, William S. Schwoebel, formerly senior vice president-finance, National Steel Corporation, retired on March 31.

A native of Pittsburgh, he was senior vice president-finance until last June when, in anticipation of retirement, he was succeeded by William J. Rust, now vice president-finance.

Since then, Schwoebel has continued to serve as a vice president of the corporation. As key financial officer for National Steel, he over the years exercised top-level control on all financial operations of the corporation. He had participated in the company's growth from its start to its present position as the third-largest steel company in the nation.

In addition, he administered National Steel's accounting and control functions. The corporation acquired Granite City Steel in 1971.

Schwoebel attended the University of Pittsburgh and is a graduate of the advanced management course of Harvard Business School and the investment management course at Stanford University.

He joined National Steel as an office messenger on Jan. 1, 1930, shortly after its organization and, aside from military service, spent his entire career with the company.

After holding several positions in the accounting department, Schwoebel was appointed auditor of National Steel Products Co., Houston, Tex., in 1939. He served with the Air Force in World War II and was discharged with the rank of first lieutenant in 1946.

Returning to National Steel, 2800 Grant Building, Pittsburgh, Schwoebel became manager of the tax department.

He advanced to assistant controller in 1954 and in 1956 was named controller.

In March 1964, he was elected as vice president and controller; in December 1968,

WILLIAM S. SCHWOEBEL

became vice president-finance; and in May 1972, was elected senior vice president-finance. A past president of the Pittsburgh Chapter of the Financial Executives Institute, he is a member of the American Iron and Steel Institute.

In his retirement, he plans to remain active as a private consultant in management, finance, control, investment and pension funding, and will maintain an office at 3200 Grant Building. He, his wife, and two daughters will continue to reside in Pittsburgh.

Can you dig it? Summer school at Cahokia mounds

An archeological field school for nonprofessionals in archeology will be sponsored by the Cahokia Mounds Museum Society during the summer of 1978.

Purpose of the excavations will be to uncover traces of the stockade wall which once surrounded central portions of the prehistoric "city."

Students will receive training field archeology, including surveying, excavation techniques, photography, mapping and artifact processing. The field school is not designed to produce professional archeologists but to stimulate greater appreciation for archeology.

Six sessions of two weeks each will be offered between June 5 and Aug. 14, with a 5-day (44 hour) work week. Sessions will be limited to 12 to 15 students who will work under the supervision of an experienced Cahokia archeologist and members of the Cahokia Mounds Museum staff.

Tuition fee for each session of \$75 will be required one week in advance of the beginning of the session desired. Tools and other

excavation supplies will be provided.

All food, lodging, transportation and personal expenses will be the responsibility of the individual. Primitive camping facilities are expected to be available.

Field school students must be 18 years old and in good physical condition. Sixteen-year-olds will be accepted with signed consent of their parents.

Students will be advised to prepare themselves for "less than perfect weather conditions" as it may be hot and humid.

For applications or for more information, Quad-Cityans are contacting Bill Iseninger, Cahokia Mounds Museum Society, 7850 Collinsville Road, East St. Louis 62201, or at 344-4750.

SOUTH DANCE FRIDAY

The Granite City High School South Student Council will sponsor a dance from 8 p.m. until 10 p.m. Friday in the school cafeteria. Admission is \$1.50. Music will be by "White Ash."

Tom Busch earns Eagle Scout award

An Eagle Scout Court of Honor was held Sunday at the United Nameoki Methodist Church as Tom Busch, 15, was presented the Eagle Scout badge, the highest rank in Boy Scouting.

Tom is a member of Boy Scout Troop 5, sponsored by the United Nameoki Methodist Church.

He is the son of Mr. and Mrs. Pat (Cathy) Busch, 25 Bermuda Lane, Granite City.

He is a sophomore at Granite City High School South and a member of St. Elizabeth's Catholic Church.

Tom began his scouting activities in 1971 in Cub Scout Pack 22 led by Louis Spohr, sponsored by Frohardt School. Mrs. Phyllis Stueb and Mrs. JoAnn Spohr were his Den Mothers.

In 1972, he became a Webelos Scout under Steve Maxson's leadership.

He joined Troop 5 in 1973. His first scoutmaster was Charles Taylor, the current scoutmaster is Pat Busch. Tom progressed in Troop leadership positions, serving as assistant patrol leader, patrol leader, scribe, as a member of the leadership corps and,

currently, as senior patrol leader.

Last summer, he attended the National Scout Jamboree in Pennsylvania, where he served as a patrol leader.

He has attended Camp Sunken for the last four years and will serve on the camp staff this summer in Escalante.

Tom is a member of the Order of the Arrow.

Participating in the Court were: Robert Moske, the Rev. Max Martin of the United Nameoki Methodist Church, Larry Todoroff, Max Forbes, Chris Kefalas, Don McAlister, Charles Taylor, Council Scout Executive Bill Monical, District Executive Ned Freeman, Charles White, and Troop 5 Eagle Scouts Paul Ramey, John Brusatt, Bob Moske, Nick Tsigolardi, John Kefalas, Bill Kefalas, and Tom's brother John.

Tom's older brother, Mike, stationed in Scotland with the U.S. Navy, also an Eagle Scout, was unable to attend.

Tom is the eleventh Eagle in the eight-year history of Troop 5.

Tom is the third son of Mr. and Mrs. Busch to achieve the Eagle rank.

Following the formal ceremony, a reception was held.

Boy, 16, faces two charges

A 16-year-old boy faces juvenile charges of battery and theft following an incident Monday evening in which the youth struck a security guard and resisted arrest by another guard at Central Hardware in Nameoki Village.

Police said the youth was stopped outside the store by Kathryn Klee, a security supervisor, after the boy left the store with a set of socket wrenches he had not checked out.

The boy resisted the woman and Raymond Beller, another guard, came to her assistance. The boy struck Beller in the chest, knocking him down,

police reported. The woman signed a complaint charging theft and Beller signed a complaint against him charging battery.

NOTICE OF REQUEST FOR RELEASE OF FUNDS TO WHOM IT MAY CONCERN
Public notice is hereby announced that selected projects incorporated as part of the Madison County Community Development Block Grant Program will be submitted for certification to the Department of Housing and Urban Development on April 11, 1978 for a grant of funds under Title I.
Granite City — Grade separation design project (3rd year).
An environmental review record of the above projects for which funds are sought has been prepared. These may be examined by the public and copies obtained at the Community Development Office, Madison County Courthouse, Edwardsville, Illinois.
Madison County will undertake the project described above with Block Grant Funds from the U.S. Department of Housing and Urban Development (HUD), under Title I of the Housing and Community Development Act of 1974. Madison County is certifying to HUD that Madison County, Illinois, Nelson Hagnauer, in his official capacity as Chairman, County Board, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to environmental review, decision-making and action; and that these responsibilities have been assigned to the County Board of Supervisors. The legal effect of the certification is that upon its approval, Madison County may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is one of the following:
(A) That the certification was not in fact executed by the chief executive officer of the applicant; or (B) that applicant's environmental review record for the project indicates a need for further study, decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 50), and may be addressed to HUD at 1 North Dearborn, Chicago, Illinois.

National Amvets commander to visit Quad-Cities area

Frank D. Ruggiero of Lynchburg, N. J., national commander of Amvets will visit the Quad-Cities area on Monday, April 10, it was announced today by Commander Vasil Graville of Post 204, Madison.

The national commander will first visit the Madison Post at 4 p.m. and later will visit Amvets Post 51 of Granite City, according to Graville.

Commander Graville is asking all members of the local Amvets Division to attend the 4 p.m. meeting in Madison with the national commander.

North Belles make guest appearance at Belleville

The Steel City Belles, national award winning Pom Pon Squad of Granite City High School North made a guest appearance at the Pom Pon Contest held at Belleville West High School last week.

The Squad made a 15-minute presentation at the conclusion of the contest in both pom pon and dance routines, while the judges were tallying their scores.

The appearance marks the first such presentation for the local group in which they not only entertained, but also displayed their championship abilities for groups of area squads, according to Director Robert D. Todoroff.

A highlight of the performance was the first appearance of the Belles in their new uniforms which were purchased as a result of a benefit concert sponsored to raise funds, which was supported by local businesses, industry and citizens.

"I've never seen them look

more radiant, fresh and precise," Todoroff said.

"They overwhelmed the contestants and audience at the contest as they have consistently done in all past performances this season," he added.

The Steel City Belles, now in their fifth year at North High, are under the direction of Squad leaders Laura Allen and Cathy Messina, assisted by Karen Hutscher and Laurie Webb. Other members participating were Seniors Sherri Davis, Ruth Ann Hayes, Lynn Krystopa, Linda McCrone, Debbie Shup, Linda St. Ivany and Mavis Vaughn along with Jaque Boatman, Michele Pittman, Rhonda Roe, Marilyn Szczepanski and Julia Rowden.

Music for the performance was supplied by cassette tapes of the Granite High North Pep Band, and transportation was provided by the Granite City High North Band Parents Association. Harold Stoker is president.

Prenatal classes

St. Elizabeth Hospital's second series of prenatal classes will start April 18 and end May 23.

"Registration is preferred for mothers whose due date is in September. Prospective mothers may call St. Elizabeth Hospital's Extension 413 to register," a spokesman said.

"The third series will begin June 13 and end July 25. Registration for that series is preferred for mothers whose due date is in October.

"There will be two more series offered this year."

Climatrol has been in the heating/cooling business for 114 years. You've got to figure that anyone who's stayed around for that long has a pretty good product. As a Climatrol dealer, we've always had the kind of equipment people want... at a price they can afford.

We'll match our competitive prices against anyone's, because we can sell you a system that is exactly measured to suit your home's needs, not oversized or under-sized.

What's more, we protect your investment. We

back up our whole-house cooling with installation by our own factory-trained experts who guarantee top performance from your equipment... because we know that the best system works poorly if it's installed improperly.

As for the rare instance when your system might need servicing... the Climatrol family takes care of its own. Our service crewmen know Climatrol equipment best and are prompt about responding to your call. For a free whole-house air conditioning estimate—call us today.
